Lonnie Sibley moved that on the first ballot, persons without a valid badge, who are recognized by two others as ministerial members in full connection would be allowed to vote. This motion was adopted. Rev. George Calvin moved that the same procedure apply on the first ballot to lay members. This motion was also adopted.

PAUL'S SCHOOL OF THEOLOGY: Dr. Schrum Burton, Vice-President of St. Paul's School of Theology, was recognized and spoke briefly to the Conference, noting especially a new program in the area of church and society at St. Paul's. The Conference then instructed the secretary to send a message of sympathy to Dr. McElvaney.

REPORT OF THE COMMITTEE ON RULES — Rev. William E. Nolan, Secretary, presented the report. He moved that the following paragraph be added to Article Seven, Rule 14, "terms of membership:" further, if members of a Conference Board, Commission, or Committee are absent from two consecutive regular meetings without a reason acceptable to the agency they shall cease to be members thereof. In that case they shall be so notified and their places shall be filled in accordance with the appropriate provisions for filling vacancies, if any, otherwise, upon notification of the vacancy by the agency concerned, the committee on nominations shall present replacement nominations to the upcoming Annual Conference for election to the remaining term involved. Rev. Donald Avery asked, "Who has the discretion to determine the reason why a person is to be removed?" Rev. Richard Harry, chairman, replied, "The agency in question will have the discretion." The recommendation of the committee on rules was then adopted. Rev. Sale T. Lilly pointed out that the wording for Article 7, Rule 9 in the 1978 Journal was in conflict with the wording in previous Journals. He moved that the former wording, as found in the 1975 Journal, be restored. Rev. Don Avery moved that this motion be referred to the Committee on Rules. The motion was then referred.

REPORT OF THE DIRECTOR OF THE CONFERENCE COUNCIL ON MINISTRIES — Rev. L. Ray Branton, Director, spoke on the subject, "The Future of the Louisiana Conference." Following his report, on a matter of personal privilege, Rev. Branton presented a humorous portrait to Bishop Shamblin. Rev. Cleburne Quaid, the artist who had painted the picture, then came forward to remove the humorous covering and reveal a full length oil portrait of Bishop Shamblin which he presented as a gift to the Bishop.

REPORT OF THE COMMITTEE ON RULES — Rev. William E. Nolan moved that the Conference order that Section 7, Rule 9 of the Conference rules, as printed in the 1975 Journal, be substituted for the wording in the 1978 Journal. Mr. W. D. Cotton asked whether the Rules Committee had decided what constitutes a Conference Agency, as referred to in Rule 9. Rev. Nolan stated that this had not been discussed. After clarification of the intent of the motion, including comments by Rev. Don Avery, Rev. Paul Longstreth, Mr. Ed Gulley and Rev. John Koelemay, Bishop Shamblin called for the vote on the motion and the recommendation of the Committee on Rules was adopted.

PERSONAL PRIVILEGE — Rev. Sherman Beird moved that the report of the Director of the Conference Council on Ministries, on the future of the Louisiana Conference be printed in the Louisiana Methodist. This was approved.

PERSONAL PRIVILEGE — Rev. L. Gray Wilson brought greetings from Rev. James C. Whitaker, a former member of the Louisiana Conference.

REPORT OF THE BOARD OF DISCIPLESHIP — The report was coordinated by the Rev. W. Odell Simmons, chairman. Officers of the Board spoke to subsections of the report for which they had personal responsibility as follows:

Education, Rev. Dan Tohline; Evangelism, Rev. Jimmy Pyles; Camping, Rev. Bill Eubanks; Stewardship, Mr. Jack Dew; Children's Ministries, Mrs. Inez Chrisentery; Family Ministry, Mrs. Beth Foster; Human Sexuality, Rev. Paul Longstreth; Ministry with Aging, Rev. Joe Solomon.

EXTENSION OF THE TIME — Rev. Alfred Norris moved that the time be extended on the special order of the day to receive the report on the ballot. The Conference approved this extension.

LAY BALLOT NUMBER THREE — Three hundred four votes were cast, 9 were spoiled, there were 294 valid ballots and 149 were needed to elect. There was no election.

CLERGY BALLOT NUMBER THREE — There were 282 ballots cast, 5 were spoiled, 277 were valid, 138 votes were needed to elect. Rev. J. P. Woodland was elected with 151 votes.

REPORT OF THE COMMITTEE ON EPISCOPACY — Dr. J. Woodrow Hearn, chairman, presented the report, dealing with the moving of the Bishop's office, the Episcopal residence, and all Conference offices to Baton Rouge, as well as the legal documents necessary to effectuate this change. Resolution number one was presented to the Conference, dealing with the moving of the Bishop's residence and offices and other Conference offices to Baton Rouge. This resolution was approved by the Conference. Resolution number two, authorizing the Trustees to sell the Episcopal residence and the parsonage of the Director of the Conference Council on Ministries, and to invest the money at interest until authorized to be used by the Annual Conference, was adopted. Legal documents dealing with the sale of these two properties were then adopted by more than a two-thirds majority, and the sale of these two pieces of property was thus legally authorized. Rev. James L. Stovall asked whether there were any Disciplinary provisions which might inhibit the moving of the Bishop's residence and office. The Bishop responded that the Jurisdictional College of Bishops and the Council of Bishops had advised that it was appropriate and legal for the Conference to take this action on interim basis, and that the decision would be carried to the next Jurisdictional Conference for its consideration. Resolution three, dealing with the responsibility of the Council on Finance and Administration with regard to this report was then presented and adopted. Resolution four, authorizing the building of a Conference headquarters was then presented. Mr. W. D. Cotton said that Resolution four went further in giving authority for the mortgaging and purchasing of property than he thought legally advisable. Rev. George Sherman pointed out that with the escalation of building costs it was important to build as quickly as possible, and that the committee should be authorized to exceed the amount of funds allocated if need be. Mr. Joe Noble, a lay member from Istrouma Church, pointed out that his church's property would soon be for sale. Rev. Don Avery moved to amend Resolution IV-1, by the insertion of the phrase "or purchase" after the words, "and the building," in Resolution IV-1. This amendment was accepted by the chairman. Rev. Bob Miller asked whether provision should be made for a Cokesbury outlet. Rev. George Calvin pointed out the need to explore the possible use of the property of the Istrouma church. Mr. Robinson of Live Oak then moved the previous question. The question was put and Resolution IV was adopted. The legal document needed for the implementation of Resolution IV was then read and was adopted by more than a two-thirds vote by the Conference. Rev. Don McDowell asked whether there was a provision for Lay and Clergy persons on the committee. Rev. Hearn read the legal document which described the make-up of the Committee. It did not include such specifications, but indicated that these persons would be appointed by the Bishop and approved by the Cabinet. Rev. Benedict Galloway pointed out that the term, "Program Council," in the legal document should be changed to "Conference Council On Ministries." A resolution was then presented requesting the Jurisdictional Conference to approve the moving of the Episcopal residence and offices of the Bishop to Baton Rouge. This motion was adopted by more than a two-thirds majority. Dr. Hearn expressed appreciation to Bishop Shamblin for his administrative and pastoral leadership and the report of the Committee on Episcopacy was concluded.

REPORT OF CLERGY BALLOT NUMBER FOUR — There were 270 votes cast, 5 spoiled, 265 valid and 133 were needed to elect. There was no election.

CONTINUE REPORT OF THE BOARD OF DISCIPLESHIP — Rev. Joe Solomon spoke to the report of the Committee on Ministry to Aging. Mr. Doug Robinson, president of the Conference Youth Team, coordinated the youth report. Among other persons, he introduced Mr. Jerry Lipscomb, Executive Director of the National Youth Ministry Organization, who brought information concerning the NYMO Conference this summer at Dillard in New Orleans. Mr. Robinson expressed appreciation to the Conference for the employment of Mrs. Kathi Fennell as Conference Youth Coordinator. A plaque was given to Rev. Willis Dear as an expression of appreciation for his four years or voluntary service as Conference Youth Coordinator. Rev. W. Odell Simmons, chairman of the Board of Discipleship, made a statement to conclude the Board's report. Rev. Sale T. Lilly, chairman of the Committee on Resolutions, then moved that the section of the report of the Board of Discipleship dealing

with Evangelism be amended to include the following statement, "Whereas: Jesus Christ commissioned His followers to make disciples and to share the Good News of forgiveness and salvation through faith in Him; Whereas: Evangelism was named a quadrennial priority by the 1976 General Conference; Whereas: UMC membership is declining in the Louisiana Annual Conference. Be it therefore resolved: That the Louisiana Conference Board of Discipleship, Section on Evangelism develop a unified and comprehensive program of Evangelism and Church Growth for the Louisiana Annual Conference, to be of the same scope as the recent Pension Funding Crusade, utilizing resource persons, training events, inspirational rallies, etc. on the Conference, District, Sub-District, and Local Church levels, aimed toward implementing a systematic, coordinated, and thorough approach to all aspects of Evangelism and Church Growth within the local church. Be it further resolved that in order to facilitate the program there be a definite timetable which the Conference, Districts, and Local Churches will follow. Let some method of accountability be used whereby the local pastor reports progress toward measurable goals to his district superintendent. Let there be adequate follow up to sessions held and commitments made. Let this program begin in 1980, and a timetable for same be developed by January, 1980." This resolution was adopted. The total report of the Board of Discipleship was then approved by the Conference.

MOTION TO EXTEND THE TIME — The time was extended to receive the report on the Lay ballot.

LAY BALLOT NUMBER FOUR — Two hundred eighty-four ballots were cast, 8 were spoiled, 281 were valid and 142 were needed to elect. There were two elections, W. D. Cotton with 143 votes and Mrs. Inez Chrisentery with 142 votes.

COMMITTEE ON COURTESIES — Rev. Warren Blakeman, chairman, greeted Dr. Benjamin Petty, a member of the Louisiana Conference, who teaches on the faculty at SMU. The Conference was then adjourned until the afternoon session.

Afternoon Session Wednesday, May 30, 1979 — 2:15 P.M.

Bishop J. Kenneth Shamblin called the Conference to order for the afternoon session.

REPORT OF LAY BALLOT NUMBER FIVE — There were 225 ballots cast, 4 spoiled, 221 valid. One hundred twelve votes were needed for an election. There was no election.

REPORT OF CLERGY BALLOT NUMBER FIVE — Two hundred sixty-four votes were cast, 5 were spoiled, 259 were valid. One hundred thirty-one votes were needed for an election. There were two elections, L. Ray Branton with 147 votes and Douglas L. McGuire with 145 votes.

REPORT OF UNITED METHODIST WOMEN — Mrs. Amy Ward, Conference president, spoke to the report, and cited many of the ways in which United Methodist Women have been pioneers and leaders for the whole church. Mrs. Ward then presented a special membership pin to Bishop Shamblin, who responded by expressing his appreciation to Mrs. Ward and to the United Methodist Women.

REPORT OF TASK FORCE ON INSTITUTIONS — Rev. J. J. Caraway, chairman, spoke to the report as found in the pre-conference reports. Rev. Caraway made several editorial corrections in the report of the Task Force which were received without objection. He also deleted Section II-C from the Task Force's pre-conference report. This section dealt with the relationship between the Conference and Dillard University. In place of the deleted paragraph, Rev. Caraway inserted the following substitute: Dillard University has a unique historical association with the United Methodist Church. For, in 1869, one of Dillard's predecessors, New Orleans University, was founded by the Freedman's Aid Society of the Methodist Episcopal Church. Dillard continues to maintain an organic relationship with the United Methodist Church. Although the University has no direct official relationship to the Louisiana Annual Conference, the Resident Bishop is a member of the Board of Trustees.

Dillard University has always existed to create and maintain an atmosphere conducive to learning and growth through programs of academic excellence. This is done within the framework of the liberal arts tradition. The University has a national reputation for producing graduates who have distinguished themselves in their respective professions and as community leaders.

The present financial condition is solid. According to the Financial Report for the period ending June 30, 1978, Dillard University received \$311,582 from the Black College Fund, of which \$66,480.95 was contributed by the Louisiana Annual Conference. We urge pastors and local churches to educate people throughout the Conference about Dillard and its status as an outstanding institution of higher learning in the state and nation."

Rev. George W. C. Calvin moved that the annual conference instruct the Task Force to write a letter to Dr. Cook of Dillard explaining the error that had been made in the deleted paragraph concerning Dillard University. This motion was adopted. Rev. J. W. Wilson inquired whether Christmas and Easter were the most appropriate special days for the offerings being proposed by the Task Force. Rev. Robert R. Miller expressed his opposition to the reduction of the number of offerings to two. Mr. Randy Woodland recommended that the Task Force on the Conference camping facilities include youth and young adults. Rev. Spiller Milton asked whether some of the institutions which are now Conference Advance Specials would be changed to General Advance Specials. He was concerned how this would effect relationships between these institutions and the Conference. Rev. Caraway replied that the basic intention of the Task Force was to seek increased support for all of the institutions. Rev. George W. C. Calvin moved that the section dealing with the two special offerings (Section B 2) be referred back to the Task Force for further study. Rev. Caraway spoke in opposition to this motion, indicating that the Task Force had met with the executive officers of all the institutions involved and that they had agreed to this plan. Rev. Calvin withdrew his motion. Rev. Randy Gammill moved to amend Section I paragraph 4 by adding "or special missionary rallies in coordination with the District Council on Ministries," after the words "district conferences in 1980." Rev. Caraway expressed the opposition of the Task Force to this amendment on the grounds that better exposure would be gained through the district conferences. The amendment was defeated. Rev. J. W. Wilson asked what would be done with the camps the Conferences now own, Rev. Caraway indicated this matter was to be studied. The report was then adopted as a whole.

REPORT OF CLERGY BALLOT NUMBER SIX — There were 209 votes cast, 2 spoiled and 207 valid ballots. One hundred four votes were needed for election. There was no election.

REPORT OF LAY BALLOT NUMBER SIX — Two hundred forty-six ballots were cast and all were valid. One hundred twenty-four were needed for election. John B. Tubb was elected with 133 votes.

REPORT OF THE BOARD OF GLOBAL MINISTRIES — Rev. Don Hall, chairman, and Rev. Ray Holt, Conference Missionary Secretary, spoke to the report. Rev. Hall introduced Rev. Carlos Welch and his wife, Saroj, missionaries from the Louisiana Conference to India. Rev. Welch spoke to the Conference, introduced his wife and his wife's father, Rev. R. J. McWan. Rev. Welch pointed out that Louisiana is one of the few Annual Conferences without a major project in the World Advance of the church. He urged that the Conference adopt one or two major capital projects sometime in the next few years. Rev. Hall announced that the Trustees of Sager Brown wanted the Conference to know that due to a withdrawal of state funding and a decision by the National Division that it could not continue its support without state funding, Sager Brown School would be closed as of June 30, 1979. Rev. Deen Thompson, Health and Welfare officer, then moved that all those persons nominated as Trustees and members of Boards of Directors of Conference Institutions related to the Louisiana Conference be elected as nominated. All of these persons were approved and their names are printed in Section II of the Journal. Rev. Hall then moved the adoption of the report as a whole, and it was approved. Bishop Shamblin then indicated that Sager Brown should be dropped as an Advance Special.

REPORT OF THE COMMISSION ON HIGHER EDUCATION — Dr. Bill Patrick presented one portion of the Campus Ministry report and the remainder was presented by Rev. William M. Jacocks. He presented the following resolution to add to the pre-Conference Report of the Commission: "In local Campus Ministries, where funds from the Conference allocated through the Commission on Higher Education are inadequate to meet certain maintenance, renovation and other non-salary needs, be it resolved that we authorize Campus Ministries to solicit such funds from local churches and/or districts to meet such needs." During this ritual, the proposed appointments were made official, as printed in the Louisiana United Methodist, with amendments as announced by the Bishop and printed in Section V of the Journal. Special Session
Wednesday, January 10, 1979
First Methodist Church, Shreveport
11:00 a.m.

The session was called to order, in accordance with Paragraph 701.4 of the Book of Discipline, by Bishop J. Kenneth Shamblin, "For the purpose of considering the need for a more adequate pension system and program for the support of the retired ministers of this conference and their dependents and to create such plans and programs as are deemed necessary to enlist the cooperation of all the churches of this conference and their members, in order to develop a permanent and adequate pension system."

Dr. Will Address led the Conference in singing "And Are We Yet Alive," the devotional message was given by Dr. D. L. Dykes, Jr., host pastor.

The theme filmstrip for the pension crusade was introduced by Rev. Jim Moore and shown by Mr. Court Crow from Jack Hodges, III Communications, producers of the filmstrip. The filmstrip was entitled, "WE GIVE BECAUSE THEY GAVE."

Rev. Stone W. Caraway was moderator for a panel on pensions. Panel members included Mr. Charles Teamer, Vice President, Dillard University who spoke on "A Background Statement on Pensions in Louisiana;" Mr. Gerald K. Hornung, General Secretary, General Board of Pensions of the United Methodist Church who spoke on "Pensions in the United Methodist Church;" Rev. Stone Caraway, Chairman of the Louisiana Conference Board of Pensions who spoke on "Louisiana Conference and the Ministers' Reserve Pension Fund;" Mr. Thomas H. Matheny, Conference Lay Leader, whose theme was "What I/We Can Do to Insure the Success of the Crusade?"

QUESTION: Rev. George Calvin pointed out that no ethnic minority pastors had been assigned to preach in white churches on the Sunday set aside for pulpit exchange. Rev. Stone Caraway replied that the assignments for the exchange had already been made and that he was unaware of any plans to make changes.

QUESTION: Rev. George Cunningham asked, "Will this be all we need to raise for pensions?" Mr. Hornung replied that if inflation continues the current crusade would suffice for a while, but another crusade would be necessary if problems created by inflation became serious enough. Bishop Shamblin added that the current crusade would not fully solve the problem, but was only an essential step toward a solution of the problem.

ADJOURNMENT: Rev. Harvey Williamson led the Conference in prayer and the Conference was adjourned until the afternoon session.

Afternoon Session

Bishop Shamblin presented Dr. Alton S. Miller, Pension Crusade Director and Staff member of the Department of Field Services and Finance of the Board of Global Ministries of the United Methodist Church, who explained a number of details concerning the pension campaign.

BISHOP'S COMMENTS: Bishop Shamblin spoke to the Conference concerning the pension crusade. He exhorted the members of the conference to work enthusiastically for the campaign and to follow the plan as written.

MINISTER'S PLEDGES: The ministers of the Louisiana Conference then came forward and placed their own pledges for the pension crusade on the altar of the church. A total of \$395,582 was pledged over a four year period by the ministers.

ADJOURNMENT: The Conference was adjourned with prayer.

A. Reports Of Councils

Council On Finance And Administration

Report No. 1

The Louisiana Annual Conference has had one of its best years in total giving. Only two decimal items were the same as last year's giving and all of the other items showed increased support. We commend the pastors and the churches for bringing about this good report. Let us continue to inspire our people with an intensive program of Christian Stewardship with the hope of paying all items in full in the near future.

We commend the ministers for pledging more than \$450,000 to the Ministers' Reserve Pension Fund, and we are appreciative of the excellent response that the laity of our Conference has given by oversubscribing the 2½ million dollar goal for the Ministers' Reserve Pension Fund. The paying of these pledges will assure the ministers of a funded program in their years of retirement, and will encourage our young men and women to answer the call to the ministry with the assurance that the laborer is worthy of his hire.

We again remind the local church that it cannot pay the pastor in full unless all ministerial support items are paid in full. (Par. 931, 1976 Discipline).

Remittances for the Louisiana Conference and general budget items should be made monthly to the Conference Treasurer. (Par. 718, 1976 Discipline).

We remind and urge all ministers to support the Ministerial Emergency Aid Fund. This is a brotherhood/sisterhood fund supported by ½ of 1% of the base salary of the minister.

Report No. 2

We recommend that each local church study the needs and requests of the institutions of our church and provide support for them in its Annual Budget and/or by the appropriate designated means during the year.

We recommend the observance of the following special days:

United Methodist Student Day	June 10, 1979
Lafon United Methodist Home Day	July 8, 1979
People's Community Center Day	August 5, 1979
Retired Ministers' Homes Sunday	September 9, 1979
Christian Education Sunday	September 30, 1979
World Communion Sunday	October 7, 1979
Methodist Children's Home Harvest Day	October 14, 1979
Methodist Home Hospital Sunday	December 16, 1979
Human Relations Day	February 10, 1980
Louisiana Methodist Foundation Sunday	March 9, 1980
One Great Hour of Sharing	March 16, 1980
Conference Institutions Offering	April 6, 1980

We recommend the report of the Task Force on Institutions, and call your attention to the change in Special Days for Conference Institutions. We recommend that after January 1, 1980, there be two special offerings each Conference year, at Christmas and at Easter, to support the six named Conference institutions. We recommend that the money received be administered in the manner the Task Force suggested. We further recommend that these institutions be granted the privilege of doing cultivation in local churches of the Conference.

We recommend that the Louisiana Moral and Civic Foundation be granted the opportunity to present its cause to the local church and community.

The Council recommends a continued emphasis by all churches of Advance Specials, both of the National Division and of Conference Specials, requesting, however, that all churches pay in full the World Service and Conference Benevolences apportionment before appropriating funds for second-mile projects.

We recommend that the Annual Conference approve the joint promotion of General Advance Specials and Conference Advance Specials supporting the Missional Priority of Ethnic Minority Local Churches, with receipts from local churches for this Advance Special to be divided between Conference Advance Specials and the General Advance Specials, provided that not more than 50% of the total receipts be retained for use within the Annual Conference.

We recommend that the Annual Conference Ethnic subject to Minority Local Church Committee be granted permission to provide grants to Ethnic Minority projects in La., funds available, upon approval at the Conf. Bd. of Global Ministries, the Bishop and the Cabinet.

We recommend the continued support of Western Methodist Assembly at Mt. Sequoyah, Arkansas, with a goal of \$10 per pastoral charge. Each district is to raise the amount on the basis of the total number of charges in the district.

It is recommended that the First National Bank of Shreveport, Louisiana, and/or a bank in Baton Rouge be designated as the principal depository for funds of the Louisiana Annual Conference.

The books of the Conference Treasurer have been audited by the firm of Thomas and Dodd, Certified Public Accountants, Shreveport, Louisiana, and they are in proper order. (Paragraph 717, 1976 Discipline).

The Council recommends the continuation of the system of apportionments on the decimal plan (see Conference rules). The decimal plan shall be applied to the following Conference items: (1) District Superintendent's Fund, (2) Episcopal Fund, (3) Board of Pensions, (4) Equitable Salary Fund, (5) General Administration Fund, (6) Wesley Foundations, (7) Jurisdictional Administration Fund, (8) Conference Administration Fund, (9) Interdenominational Cooperation Fund, (10) Temporary General Aid Fund, (11) Ministerial Education Fund, (12) World Service and Conference Benevolences, (13) Black College Fund, (14) Centenary College, (15) Mass Communications Fund, (16) Missional Priorities Fund, (17) Inter-Church Conference, (18) Educational Priorities Fund.

With regard to the Pastor's Travel Allowance, we recommend that the pastoral charge consider an amount of \$3,600 for 1980, and consider \$1,200 for utilities expense for each minister.

We recommend that the local churches pay a maximum of \$900 on the moving expense of ministers in the Annual Conference. This expense should be paid for the incoming minister by the new church to which the minister is appointed.

We remind the ministers of the Annual Conference who will move to another charge, that they are to accept salary and expense only through May 31, 1979, from the charge they are presently serving. All June salary and expense will be paid by the new charge.

In order to comply with the federal income tax regulations, we recommend that the utilities and other housing expenses on the Bishop's residence, district parsonages, and parsonages used by the Council On Ministries Director, and ministerial associates, the Conference Treasurer, the Director of the United Methodist Foundation, and the Associate Director of the Louisiana Moral and Civic Foundation be considered a part of their salaries as "Housing Allowance."

The Treasurer of the Conference is authorized to pay from the District Superintendents' Fund, twelve (12%) percent of the average salary of the Conference for each District Superintendent to the Pension Fund.

We recommend that the Secretary of the Annual Conference serve as the Editor of the Conference Journal and that the Editor be authorized to eliminate detailed financial and audit reports from the Journal, including instead, a statement indicating where the detailed report is filed.

We are concerned about the increasing cost of the Conference Journal. Inasmuch as we have not been able to cut costs by diminishing size, we therefore recommend that, beginning with the 1980 Annual Conference, there be furnished one Journal for each minister, one for each surviving spouse, and one for each Church. Additional Journals would be purchased for \$3.00 each.

We recommend that the Conference Lay Personnel Committee shall bring recommendations for action to the Conference Council on Finance and Administration regarding the hiring, salary schedule, fringe benefits, and any other matters of employment related to the Lay Employee of the Annual Conference.

TOTAL	109,400

We recommend that seventy-five (75%) percent of the money raised in the Annual Conference for the Black College Fund be designated for Dillard University, New Orleans, Louisiana.

We recommend that the Annual Conference grant permission to Centenary College to make an appeal for every church in the Conference to send "a paid student" to the college.

We recommend that the Treasurer be authorized to pay \$3,600 from the District Superintendent's Fund for expense of Cabinet Meetings and up to \$1,000 for telephone calls involving appointments. We recommend that each District Conference establish and elect a District Council on Finance and Administration composed of four lay persons and three ministers. The District Superintendent, Conference, Jurisdictional, and General Conference representatives of the Council on Finance and Administration within the bounds of the district shall be ex-officio members. Every consideration should be given to ethnic minority representation.

We recommend that each district provide at least half-time secretarial help for the District Superintendent from funds made available from the district budget. The Annual Conference requires that copies of the annual budget and audit be given each year to the Conference Council on Finance and Administration not later than January 15 following the fiscal year. For 1980, we recommend the following income be paid the District Superintendents from the District Superintendent's Fund (see Conference Rules): Base Salary — \$23,800, Base Auto Allowance — \$2,400, Utilities Expenses — \$1,200, and an amount not to exceed \$2,400 for travel expense, to be drawn on by voucher.

The percentage of the Episcopal Fund is an amount equal to 1.875 percent of the salary or salaries paid the pastor or pastors serving in the Louisiana Annual Conference. The same is computed on the preceding year for the succeeding year and is apportioned to the churches on the Decimal Plan.

Each Council, Board, Commission, Committee, etc., of the Conference receiving funding from the Conference shall designate one person, other than the Chairman, as the Finance Officer. The Finance Officer shall keep for that Board or agency a current record of financial transactions involving the budget receipts and expenditures for that body. The Finance Officer shall receive all vouchers from members and shall approve and submit same to the Conference Treasurer for expense reimbursement. The vouchers must be specific and in detail and be accompanied by appropriate receipts, and must bear the signed approval of the Finance Officer. Vouchers not in compliance with this policy shall be returned unpaid. Vouchers must be submitted within one week of the conclusion of an event to the Finance Officer, and the Finance Officer shall in turn submit them to the Conference Treasurer within three weeks. In order to assist the Conference Treasurer to close out the books and set up the books for a new fiscal year, we recommend that all Finance Officers submit final vouchers of said Boards and agencies by December 27, 1979.

All Institutions and agencies receiving funds from the Annual Conference are required to submit a financial statement at the end of each calendar year (Paragraph 708.4). A list of all investments and the returns therefrom shall be submitted annually (Paragraph 708). The financial statements and investment information shall be sent to the Conference Treasurer for the Council.

The Council recommends that the Annual Conference instruct the Conference Treasurer to deduct from the first month's payment of funds to Conference Boards and agencies any surplus funds they may have had from their budget of the prior year. The Council recommends that the Annual Conference continue to place in the Contingency Fund of the Annual Conference all interest from the invested funds of the different Conference Boards and agencies. We further recommend that the Council use the Investment Committee of the Louisiana United Methodist Foundation to assist in the investment of Conference funds. We recommend that the Conference Treasurer and the Chairman of the Conference Council on Finance and Administration continue to serve on the Investment Committee of the Louisiana United Methodist Foundation. We further recommend that local churches and Conference institutions consider using the Foundation Investment Committee for the investment of their funds.

Following this Conference session, we recommend that travel expenses for Conference Boards and agencies be set at 12 cents per mile.

Report No. 8

RESOLUTION UNANIMOUSLY ADOPTED BY THE MEMBERS OF THE BOARD OF TRUSTEES OF THE UNITED METHODIST FOUNDATION OF LOUISIANA — May 19, 1979

RESOLUTION

WHEREAS, the members of the Board of Trustees of the United Methodist Foundation of Louisiana have been informed that the Council on Finance and Administration proposes to submit a report to the Louisiana Annual Conference in which it will be requested that the office of Director of the United Methodist Foundation of Louisiana will be merged with the office of Treasurer of the Louisiana Annual Conference, effective June 1, 1980, and

WHEREAS, the members of the Board of Trustees of the United Methodist Foundation of Louisiana believe that the most advantageous long-term benefit to the United Methodist Church in Louisiana can best be achieved through the appointment of a full-time Director for the United Methodist Foundation of Louisiana and that the proposed merger will be detrimental both to the Foundation as well as to the United Methodist Church in Louisiana, and

WHEREAS, we sincerely regret that the Council on Finance and Administration has felt it necessary to propose a report to the Louisiana Annual Conference for the combination of the offices of Conference Treasurer and Foundation Director, and

WHEREAS, since the Council on Finance and Administration has prepared such a recommendation and has expressed its determination to submit the same to the Louisiana Annual Conference, and since such proposal will be considered by the Louisiana Annual Conference, we do believe that we should, in Christian love, accept whatever action may be taken in regard to this matter by the Louisiana Annual Conference, but that our objections thereto should be noted.

NOW, THEREFORE, we, the members of the Board of Trustees of the United Methodist Foundation of Louisiana, do RESOLVE:

THAT, the members of the Board of Trustees of the United Methodist Foundation of Louisiana do, in a spirit of cooperation, pledge our continued support to the United Methodist Foundation of Louisiana, and we do, further RESOLVE to work to our fullest ability for the furtherance of the United Methodist Church in Louisiana within the framework of whatever plan is adopted by the Louisiana Annual Conference;

THAT, we do urge close cooperation between the Council on Finance and Administration and the Board of Trustees of the United Methodist Foundation of Louisiana in all future decisions affecting the Foundation;

THAT, in accordance with the By-Laws of the United Methodist Foundation in Louisiana, we do request that the Bishop involve both his Cabinet and the Executive Committee of the Foundation in the selection of a future director for the Foundation, and

Council On Ministries

Your field staff, Ray Branton, Inez W. Chrisentery, and Kathi Finnell, has provided training events in the sixty-five local churches who requested such service in 1978-79. Training for church school administration and teaching for the local church Council on Ministries and Administrative Board, for ministry with children, youth and adults, for churches of small membership, and for marriage enrichment were the principal topics. In addition, there were ten training events at the district level and six conference-wide events for which your staff provided primary leadership or coordination.

We express our gratitude to Mrs. Inez Chrisentery for her outstanding service to our churches. She has, in addition to her primary duties, continued to represent our church on numerous boards of directors and in many ecumenical activities, and to provide leadership in the annual studies sponsored by United Methodist Women.

This year, we welcomed Mrs. Kathi Finnell and Mrs. Linda Lockwood to our staff as associate director and as news editor for the Louisiana United Methodist conference page, respectively. Mrs. Finnell has already begun a youth newsletter, worked with district youth leadership in some districts, and is planning two major youth events: Senior High Assembly at Centenary, June 19-23, and Junior High Workshop, for youth and their counselors, at Camp Brewer, October 19-21. Mrs. Finnell is working with the Conference Committee on Education to coordinate the growing number of training events for church school teachers. Due to Mrs. Lockwood's work, our conference page, was recently named the outstanding conference edition in the nation at a meeting of News Editors associated with the United Methodist Reporter.

Our special thanks to Ms. Bobbie Washington, Office Manager, Mrs. Ginny Richardson, Resource Librarian, and Ms. Connie Mitchell, Clerk Typist, who not only performed ably their regular duties, but saved the conference several thousand dollars through printing most of the material needed for the pension funding crusade.

Finally, my personal thanks to the Bishop, Cabinet, pastors and lay persons of this conference. Your support, love and understanding has been the most important factor of all in whatever good we have been able to achieve in this year. I am profoundly grateful to you all.

Respectfully submitted,
L. Ray Branton, Director

B. Reports Of Boards

Board Of Church And Society

Informational Report

The Louisiana Conference Board of Church and Society is committed to the pursuit of Human Rights of all citizens both at home as well as abroad. As long as institutional Racism exists in America we believe affirmative action programs must continue. Special care must be taken that the application of the principles of the Bakke Court case decision do not eradicate the gains of affirmative action programs in helping minority citizens achieve equal opportunities. We believe the limitation of government income resulting from Proposition 13 type legislation should be a stimulus to limit unnecessary overgrowth of government rather than decrease human need services in the areas of health, education and welfare. The reason for our concern is fear that there may be adverse effects to minorities as a result of these decisions. While the goal of maintaining property rights of all citizens and refining the fairness of affirmative action programs is praiseworthy, pursuit of the rights of the middle and upper classes of our society should never be at the expense of the less fortunate.

Our Board initiated a Legislative Intern Program in 1978 which was authorized by the 1977 session of the Annual Conference. This project was chaired by Rev. William Finnin, Jr.; and Mr. Brad Smith served as our legislative intern. From the feedback that we received, this program helped to improve the lines of communication between local churches and the Louisiana Legislature. The chairman of this project for 1979 will be Rev. James Stovall, Executive Director of the Louisiana Interchurch Conference. The legislative intern for 1979 will be Mr. Randy Woodland, the son of Rev. Phil Woodland.

On March 16-18, 1979, Rev. James Graham, Rev. James Stovall and Mr. Red Marrs, members of the Louisiana Conference Board of Church and Society, participated in the South Central Jurisdiction Conference on Critical Social Issues for Century III held at the Bridgeport Conference Center in Bridgeport, Texas. Rev. James Stovall served as one of the workshop leaders and Rev. James Graham served on the planning committee and as a worship leader.

The members of the Louisiana Board of Church and Society make the following recommendations to the Louisiana Conference:

1. We ask that the Louisiana United Methodists should study, endorse and support the Law of the Sea and follow through with appropriate action. We also recommend the following resources:

Soundings Bulletin No. 1 "The Common Ocean Heritage; Conflicts and Challenges" available from Ocean Education Project, 245 Second Street, NE, Washington, DC 20002.

Key resource persons in Conference: Mrs. Robert E. Eggerton, 2468 Lake Oaks Pkwy., New Orleans, 70123; Mrs. Nathaniel Perry, Baton Rouge, LA; Mrs. W. D. Baucum, 705 Browning Dr., Springhill, 71075.

2. We express our concern with regard to the inequity in the salaries received by ministers of the Louisiana Annual Conference, especially those serving ethnic minority churches. We offer our support to the Bishop & his Cabinet, the local church and the Commission on Equitable Salaries' effort to move toward more equitable salaries for all ministers of our conference.
3. The Louisiana Conference Board of Church and Society has endorsed the new charter for Racial Justice Policies and urge the Louisiana Conference to adopt and support the implementation of the charter.
4. We affirm that all of creation is a precious gift. The Atchafalaya Basin is a gift of God which we must cherish. This area should be preserved as a unique place of beauty and recreation for all of our citizens. We believe the best ecological and drainage use of the area must be determined for the benefit of all citizens. Due to the magnitude of the decisions that must be made about the future of this area, we recommend that local churches should carefully study the short-term as well as long-term implications of the project on the future well-being of our state and make their views known to the appropriate policy makers.
5. We affirm President Carter for his efforts to recognize China and we urge the United States government to continue to be supportive of the self-determination rights of the people of Taiwan.
6. We support a Salt II Treaty that is faithfully used as an instrument to resolve, by peaceful means, disputes between the United States and Russia as part of an ongoing pursuit of world peace.
7. We support the Project Excel Program in Louisiana, which has helped to create a better climate for learning in our public schools. We urge the Louisiana Legislative to continue to provide financial support to this program.
8. We support the work of the Children and Family Justice Project in New Orleans.
9. The Council on Finance and Administration should be commended for establishing a special offering on April 1, 1979, for the Interfaith Chapel at Angola. We encourage each church to continue to support this needed project.

10. We recommend the Conference rules under Board membership for the Board of Church and Society be amended to include the coordinator of Christian social involvement of the UMW.
11. We support the United Methodist Church's position on Capital Punishment as stated in paragraph 74, section F, page 100, in the Book of Discipline 1976, which reads: 'We oppose capital punishment and urge its elimination from all criminal codes.'

James Graham, Chairman

Board Of Diaconal Ministry

Informational Report

The members of this Board have been involved in determining the tasks and challenges that are our responsibilities. After particular needs have been isolated, we have endeavored to meet these needs.

To aid in interpretation of the diaconal relationship a slide presentation was compiled, presented at the Convocation of Boards, and placed in the Conference Resource Center for use. A letter explaining the responsibilities of the local church to persons employed in diaconal careers was mailed to local church Pastor-Parish Relations chairpersons. Recent publications published by the General Board of Higher Education and Ministry, concerning Diaconal Ministry, have and are being distributed.

Concentrated efforts have been made to update the files of persons in Diaconal Careers. After the initial contact we have furnished each person guidelines for certification and/or consecration.

Don McDowell represented this Board at the Workshop on Ethnic Minorities held in San Antonio in February.

Norma Garlington, Lu An McLaurin, and Don Emler attended the Louisiana CEF workshop held at Camp Brewer in March. The slide presentation was shared. Through both individual and group discussions, efforts were made to determine ways the Board might meet the needs of persons employed in Christian Education in local churches.

Although our budget is very limited, this Board was able to pay part of the expenses of those who attended the National Christian Education Fellowship. Our hope is that General Conference will see fit to include persons in Diaconal Ministry in the educational funds made available.

The following unordained persons are actively engaged in Diaconal Careers in this Conference: Barbara Einsel, Norma K. Garlington, JaAnn Garma, Pat Hogan, Joaquin Garcia, Virginia Hudson, Gerald Halley, Willanna Curley, Kathlyn Finnell, Doris Marsalis, Marjorie Robinson, Janis Trammell, Doris Armes, Barbara Garcia, Donald Peterson, Gene Kelsey, David Stone, Evelyn Murphee, and Helen Miers.

Items Requiring Conference Action

- A. Whereas the United Methodist Church has recognized the importance of those persons who serve in Diaconal Ministries with an Order for their Consecration and,
Whereas those persons may be seated with the Annual Conference and given certain privileges, but shall not have voting privileges unless they are an elected lay representative to the Annual Conference and,
Whereas a Diaconal Minister may be elected as a lay member of the Annual Conference,
Whereas each conference shall determine the equalization of lay and clergy representatives to the Annual Conference,

Be it therefore resolved by the Louisiana Annual Conference of the United Methodist Church that top priority be given to consecrated Diaconal Ministers in the equalization program of said conference.

B. Petition, if ratified, to be sent to General Conference.

"It is recommended that the Standards of Certification for Christian Educators in the United Methodist Church be amended to include the following ways of meeting the requirements for the associate in Christian Education:

A bachelor's degree from an accredited college or university with a major in religious or Christian education, which has been approved by the Board of Higher Education and Ministry. The major must include a minimum of 18 semester equivalent hours in Christian education in addition to courses in Bible and related fields, with a general liberal arts background and courses in sociology, psychology, and communications.

Completion of two (2) of the area in the Certification Studies for the Associate in Christian Education, including Theology.

(All other requirements, including the 4 year work standard would be continued.)

"It is further recommended that the BHEM establish procedures, including a review process, for approving the Christian education programs at colleges and universities who apply. This approved list of college programs be kept up-to-date by a review of the programs at regular intervals. This list should be made available to Conference Boards of Diaconal Ministry annually."

Respectfully submitted,
Norma K. Garlington, Chairperson

The Board Of Discipleship Louisiana Conference

Report Of The Committee On Education

Most of our work has dealt with Laboratory Schools and/or Seminars in each District. Our emphasis has been and will continue to be concerned with leadership development, i.e., District Laboratory Schools, One Day Workshops, Seminars, etc. All of these efforts have been in preparation for our 1978-1979 priority, The Renewal of the Church School. The Leadership Development Committee, with the Rev. Dan Tohline, as chairman, and Mrs. Kathi Finnell as staff liaison has designed and developed Conference and District field programs related to each phase of the Renewal of the Church School program, beginning with the following Workshops, Lab Schools and Seminars which will focus on the role of the pastor as teacher/educator:

At the present time we are underwriting 75% of the cost of the Laboratory Schools and Teacher Training Events in each District.

Our Board of Discipleship (Education) is now prepared to offer the following Training Events: orientation to teaching, introduction to responsibility, guided reading, skillshop, inservice guidance, worker's conference, teacher training courses, workshop, observation experience, laboratory enterprise, intergenerational seminars.

Dan Tohline, Chairperson

Camping

The Conference Committee has been working for three years on training sessions for our campus directors and counselors for our Conference. The training events will be held at Caney Conference Center and Camp Istrouma May 3-5, 1979. Rev. Samuel Morris is the Director for the Caney Lake event and Rev. John Oldham is the Director at Camp Istrouma.

William I. Eubanks, Chairperson

Children's Ministries

During 1978 we set out to: Improve Church Schools with small memberships in:

1. Organization — This was to be done by supporting age-level ministries, team teaching, intergenerational settings, etc.
2. To increase membership and attendance.

3. To demonstrate how to best use United Methodist Curriculum Resources in a variety of settings, and
4. To improve methods and techniques.

This goal was accomplished through four workshops on the Baton-Hammond, Baton Rouge-Lafayette, New Orleans-Houma, and New Orleans-Slidell Districts.

Involved in these enterprises were forty-five small membership churches and one hundred twenty-four leaders and teachers of children.

Each group listed goals, both short and long-term, with commitment toward implementation upon returning to its home church. An atmosphere of freedom and comradery was exhibited in the questions that were asked, the experiences shared, and the joyful excitement manifested.

Motivation was high, which was exhibited in the requests for follow-up workshops and Training Sessions in individual churches. We answered this call to seven small membership churches involving: 24 parents, 11 teachers, 55 children.

Excitement is still in the air since we initiated workshops on the Lake Charles District and we are looking forward to new and exciting participation.

Thanks for providing for me this special privilege. It has been a joy.

Inez W. Chrisentery, Chairman

Curriculum Resources Committee

Most of the work of this Committee for 1978-79 Conference year has been done by the various Districts through their District Councils.

Monroe District had sub-district workshops on Education and Mission Cultivation. Resource materials were displayed and discussed there. Then a District-wide Event was held where a member of the Curriculum Resources Department of our Board of Discipleship in Nashville led a two-hour discussion on all resource materials printed by Cokesbury.

Shreveport District had a Curriculum Workshop entitled, "Meet the Author and the Editor." The author was Dr. Don Emler of Centenary College who wrote the spring quarter of Exploring the Bible with 8-12 year olds, and the editor was Rev. Vernon Denny of Nashville, who edits Exploring the Bible for older elementary children.

I think that other Districts had similar or other kinds of emphasis on church school resource materials this past year. At the coming session of Annual Conference, I will display, in a prominent place, copies of all Resource Guidance Materials from our Publishing House.

Garland C. Dean, Jr., Chairman

Family And Older Adult Ministries

The Family and Older Adult Ministries has organized a committee on the aging which includes a Conference Coordinator and District Coordinators. Plans have been made to present this ministry to the Conference through each District Council on Ministries and to a preachers' meeting in each District. This is to be completed by the time of Annual Conference. This year has been a time of organization and education to open the way for local Church training and District workshops for 1979-1980. There will be a team available for all Churches requesting help in this area of ministry, and also for District workshops where needed.

Joe Solomon, Coordinator

Evangelism

Someone has said, "for too long a time, the church has been seen as a body of people living on memories in the midst of a world living on hope." Discipleship is more than talk and new life in the church can be more than memories. Where evangelism is more than a once-a-year "series" of meetings and a "special emphasis" just prior to Easter, you will find people alive and a church on the grow.

During the 1978 conference year, it has been my privilege to participate in a number of Evangelism workshops around our conference.

The largest ecumenical gathering in which our board was a participant was the South Louisiana Christian Ashram in Jennings. Some 500 people attended the sessions at First Church and at the largest Catholic Church. Of the four leaders, three were United Methodists. In spite of very bad weather, the Ashram in Ruston during January was well attended. Dr. Don Webb from Centenary was the evangelist there.

Other activities are in the making for us. We are assisting the Board of the Laity with the Lay Retreat this summer. A conference on Evangelism and Church Growth is being planned for our conference, as well as a Conference on the Holy Spirit.

In 1978, our conference lost 114 members, the first loss since 1972. We encourage churches to set goals in regard to church growth and ministry in the local community. Numbers seem cold, except they do represent people . . . those for whom Christ died.

RESOLUTION

WHEREAS, Jesus Christ commissioned His followers to make disciples and to share the Good News of forgiveness and salvation through faith in Him

WHEREAS, Evangelism was named a quadrennial priority by the 1976 General Conference

WHEREAS, UMC membership is declining in the Louisiana Annual Conference

BE IT THEREFORE RESOLVED, That the Louisiana Conference Board of Discipleship, Section on Evangelism develop a unified and comprehensive program of Evangelism and Church Growth for the Louisiana Annual Conference, to be of the same scope as the recent Pension Funding Crusade, utilizing resource persons, training events, inspirational rallies, etc. on the Conference, District, Sub-District, and Local Church levels, aimed toward implementing a systematic, coordinated, and thorough approach to all aspects of Evangelism and Church Growth within the local church. Be it further resolved that in order to facilitate the program there be a definite timetable which the Conference, Districts, and Local Churches will follow. Let some method of accountability be used whereby the local pastor reports progress toward measurable goals to his district superintendent. Let there be adequate follow up to sessions held and commitments made. Let this program begin in 1980, and a timetable for same be developed by January, 1980.

Jimmie D. Pyles, Conference Secretary of Evangelism

Conference Youth Team

The Conference Youth Team was pleased that Kathi Finnell was selected as Associate Director of the Conference Council on Ministries to coordinate and lead us in our work.

In February some 110 youth and adults from across the Conference filled Camp Istrouma and overflowed to Blackwater United Methodist Church for a successful Winter Retreat. In March, 1979, some 13 youth and adults attended the Jurisdictional Youth Conference at Lake Bridgeport Camp, Bridgeport, Texas.

This summer, the District Team Training Event will take place at Centenary College June 17-19. A Senior High Youth Assembly will occur June 20-22 at Centenary College, with the theme, "Here Comes the Son — A Look at Theology and Cults." Dr. Webb Pomeroy of Centenary College, and Rev. John Washburn, of Scarritt College, will be key leaders for the event.

The Louisiana Conference Youth will host the bi-annual National Youth Convocation Ministry Organization at Dillard University in New Orleans, August 6-10, 1979. Our Conference is responsible for four major areas: transportation in New Orleans, thirty pages for the conference, arrangements with Dillard and the Louisiana Conference, and entertainment for the delegates.

Our two youth delegates to the Convocation are Laura Echols (St. Luke's in Shreveport) and Doug Robinson (First Church, Bastrop).

Willis Dear, Chairman

Family Life Ministries

Under the leadership of Rev. Paul Longstreth, Human Sexuality programs will be conducted in our Conference in 1979.

Of all the glaring needs in the lives of teen-agers, we will attempt to serve two: understanding of human sexuality and communication between teen-agers and parents.

We would begin by training adults in the Conference (clergy/laypersons) who would conduct weekend seminars with teens and parents so that within one year (April, 1979 — April 1980) there would have been at least six such seminars across the Conference, each with 20-30 teen-agers and at least one parent (preferably both, if possible) with each.

It is hoped that this program can be expanded to serve several age groups operating simultaneously across the Conference, which will call for continued and expanded training of leaders at all age levels. This is the beginning of a vitally needed ministry among youth and families.

Ruth Tubb, Chairman

Paul Longstreth, Co-chairman

The Board of Discipleship has had a good year. As a Board, we have tried to be sensitive to the needs of the local churches of our Conference and have responded to these needs when requests were made.

Much of the emphasis has been in the area of Christian Education, or promotion of Lab Schools and workshops, particularly in the area of Children's Ministries.

The District Superintendents and District Chairpersons of Education are encouraged to call on our Board, not only for planning leadership activities but, also, for financial assistance.

The Board of Discipleship will provide up to 75% of the expense for a Lab School where clusters of churches are involved.

I want to express appreciation to the members of the Board of Discipleship for their efforts in ministry during 1978.

Odell Simmons, Chairman
Board of Discipleship

Board Of Global Ministries

Informational Report

The scope of responsibility assigned to the Conference Board of Global Ministries is far reaching, and the competent and dedicated service of our Board members is reflected in the report which follows:

ECUMENICAL AND INTERRELIGIOUS CONCERNS: Milton Johnson serves as our

officer in this responsibility of concern and states that the churches are called to the goal of visible unity in one faith and one eucharistic fellowship expressed in worship and common life in order that the world may believe. The Louisiana Interchurch Conference has rendered an effective ministry in our state and we commend to all churches this opportunity for involvement in ecumenical and interreligious ministry. The Angola Chapel project sponsored by LIC is an admirable example of visible unity among the churches in the state of Louisiana. Local churches of our conference are encouraged to continue in dialogue and worship with persons of other denominations.

REVOLVING LOAN FUND: The Louisiana Conference Board of Global Ministries maintains designated funds, known as the Revolving Loan Fund, to make loans available to: (a) Established churches in need of temporary assistance; or (b) to missionary or new congregations for which other conference funds are not available or recommended. These are low interest loans to help churches renovate, repair, and furnish church buildings and parsonages. No loans are made to finance programs. A maximum of \$6,000 may be loaned to churches which are five years old or less, and for older congregations the maximum is \$4,000.

The policy of the Revolving Loan Fund may be found on page 125 of the 1979 Journal of the Louisiana Annual Conference.

As of March 3, 1978 the Revolving Loan Fund had \$3,840.39 cash available for loans plus 40 outstanding loans in the amount of \$99,658.44. Fourteen of those are new loans made during the period of the last year.

This fund is a designated Conference Advance Special and we urge each local church to consider a gift to it so that we may continue to render this assistance. Rev. Eskel Tatum serves as the Revolving Loan Officer.

CONFERENCE DISASTER CONCERNS: Rev. George Sherman attended a training session during this past year and completed a course which qualifies him as an instructor for Domestic Disaster Response. This certification comes from the Red Cross, Church World Service and the U.S. Department of Housing and Urban Development. Assistance and Counsel has been given in three areas where disaster occurred in our state during the past year:

1. Flooding in the city of New Orleans where a \$500 grant was made to the Interchurch Conference in that city to render ecumenical assistance;
2. Flooding in the Monroe area where a \$500 grant was made for an ecumenical effort in attending to the needs;
3. A tornado struck Bossier City where self help and local resources were available to meet the needs.

Assistance was given the Red Cross and Federal agencies in making surveys, compiling lists of churches and pastors who could furnish names of volunteers. We are pleased that United Methodists can offer assistance and support when disaster occurs. Each local church is urged to consider a gift of \$10 for the Conference Disaster Fund which is designated a Conference Advance Special.

SUPPORT ACTION MINISTRIES: The purpose of Support Action Ministries Funding is to meet special needs as they arise throughout the Conference. Priorities for the funding are as follows: (1) Church Extension; (2) Local Church Programs or Projects; (3) Church Sponsored Community Projects; (4) Institutional Programs; (5) Salary Supplements; (6) Other. Grants for 1978 amounted to \$19,650. There have been 14 grants approved for 1979 totaling \$23,250.

WORLD HUNGER CONCERN: A Jurisdictional Workshop on "Life Style Assessment Groups" which was conducted at First United Methodist Church, Baton Rouge, November 30-December 2, 1978 was attended by 14 persons from Louisiana. They have made themselves available in each district to introduce this covenant relationship and/or train leaders for such Covenant Groups. Subscriptions for "Bread for the World" have been entered for all District Missionary Secretaries. Continued emphasis upon WHEAT (World Hunger Education Action Together) will be given in 1979. We urge each local church to pay in full the asking for the Missional Priority Fund, and request that at least 25% of the

churches of the Conference adopt one or more Hunger Advance Specials beyond the priority asking. Rev. Phil Woodland announces the scheduling of a "Hunger Meal" for Thursday, May 31 at the 1979 session of the Annual Conference.

MISSION CONCERNS: Mission emphasis for the most part has been done at the District and local church levels. We have been fortunate to have the following missionaries itinerate the conference: Richard Wehrman, Philippines; Dorethea Brown Cooper, Liberia; Mr. and Mrs. Patterson Benner, Japan; Guy Garret, Missionary in Residence; and James Spitzkeit, Korea, but presently located in the U.S. We are pleased to report that the salary of Rev. & Mrs. David Lowery is completely underwritten; however, there is a need for the amounts indicated to complete underwriting the salaries of other missionaries of this conference: Dorethea Brown Cooper \$3,656; Carlos Welch \$1,900; and Rev. and Mrs. Patterson Benner \$2,600. Local churches desiring to support missionary salaries can secure needed information from Rev. Ray Holt.

Our participation in Advance Specials reflects a 19.5% increase during 1978. In the area of Advance Specials our Conference ranks No. 57 out of 73 with a per capita giving figure of 98 cents. In February 1979, Rev. Don Struchen and Rev. Ken McIntosh, representatives of the General Board of Global Ministries, conducted a workshop for District Missionary Secretaries in Alexandria.

HEALTH & SOCIAL WELFARE CONCERNS: This committee has been in consultation with the conference task force on the study of institutions and agencies and we heartily endorse that report as it relates to our areas of responsibility. The clear identification of relationships between agencies, institutions, and the Annual Conference will be most helpful.

The National Division's cluster meetings on agency relationships held in Dallas, Texas, February 1978 was attended by the Director and one board member from each of the following: St. Mark's Community Center, Sager Brown School, Peoples Community Center, Dulac Community Center, and Macdonell Children's Services, Inc. Also attending were: Mrs. Amy Ward, Conference President UMW, and Rev. Don Hall, Chairman of the Conference Board of Global Ministries.

Individual reports of agencies and institutions are to be found in another section of this report and we commend each of these for the services they render in ministry to body, mind and spirit. Rev. Deen Thompson serves as Coordinator in this area of concern and ministry.

CHURCH EXTENSION: We are pleased to report that the Squyres United Methodist Church, organized in the Lake Charles District in 1978 has acquired a 5 acre piece of property and a grant from this Board assisted in that purchase. A state-wide survey of the major population growth areas has been undertaken and is being directed by Rev. Ed Thomas. The services of Dr. Tex Sample, a faculty member at St. Paul's School of Theology, was obtained to gather information in the Metropolitan area of Baton Rouge, and at the same time an update was made to survey what had previously been done in the city of Lafayette. The findings and recommendations of this study are now being considered by the two District Superintendents of the Baton Rouge Districts and members of the Church Extension Committee of this Board. Dr. James Davis and his associate Sarla Lall of the Church Extension Office of Research and Development, General Board of Global Ministries, have conducted a similar survey in the Shreveport-Bossier City area, and in the Metropolitan area of New Orleans. Our plan also calls for a survey of this nature to be done in the Monroe area. These studies are providing information that is extremely helpful in our plans for Church Extension and the acquisition of properties in advance of residential developments. There is a need for further study in order to establish a sound proposal offering all United Methodists an opportunity to share in the financial needs that are so evident in such an endeavor. In cooperation with the Bishop and District Superintendents we shall continue our study of the need for new property, the possibility of the most effective use of church owned properties in transitional neighborhoods, and the encouragement of development of existent churches where new opportunities for service are evident.

ORGANIZATION: There has been some over-lapping and confusion about responsibilities at both the Conference and District levels. We have assigned missionary itineration, recruitment, and support to the Board Committee on Education, Promotion and Cultivation and recommend deletion of the title and office of "Conference Missionary Secretary." (See section II of this report)

In order to strengthen the relationships between the Conference Board of Global Ministries and District organizations we submit the following recommendations:

1. That the title and office of District Missionary Secretary, and Chairperson District Missions be discontinued.
2. (a) That each District have a District Board of Global Ministries as successor of the present District Board of Missions.
(b) That the District Board of Global Ministries shall have the same coordinators corresponding to the organization of the Conference Board of Global Ministries: Financial & Loan Coordinator; Promotion, Education, Cultivation Coordinator; Health & Social Welfare Coordinator; Parish & Community Development Coordinator; World Hunger Coordinator; and Disaster Coordinator of Global Ministries and will represent these concerns on the District Council on Ministries.
3. One of the two persons from the District Serving as Members of the Conference Board of Global Ministries shall be designated as the District Coordinator of Global Ministries.

Advance Specials

We urge each local church to participate in mission opportunities beyond the local church by contributing to approved Advance Specials. This is voluntary second mile giving and is to be over and above the acceptance and payment of World Service Apportionments. It is suggested that all such remittances be channeled through the Conference Treasurer's Office.

The Board recommends the following as Annual Conference Advance Specials: Hughes Methodist Center, Baton Rouge; Louisiana One Thousand Club; New Orleans Metropolitan Ministries; Revolving Loan Fund; Shreveport Metropolitan Ministries; Conference Disaster Fund.

We recommend the following National Division Advance Specials located within the bounds of the Louisiana Conference: Dulac Community Center; Macdonell United Methodist Children's Services, Inc., Houma; Sager Brown, Baldwin; St. Marks Community Center, New Orleans; Spanish American Ministries, New Orleans.

We recommend the following as goals for Jurisdictional Advance Specials: Rio Grande Conference \$5,000 per year; Oklahoma Indian Mission Conference \$7,500 per year.

We recommend that support be given to other General Advance Specials which are listed in the catalog "Partners in Missions" prepared by the General Board of Global Ministries. It is further recommended that special consideration be given to the support of World Division Projects staffed by missionaries from this Conference.

CHANGES IN THE CONFERENCE RULES: We recommend the following changes in the Conference structure and rules:

Article I A E.1: The change to read, "One lay member and one minister from each district, one of whom shall be designated in each District as the District Coordinator of Global Ministries."

Article I A 3.2: The change to read, "Six members at large, including one young adult lay person 18 to 30 years of age."

Article I A 3.6: Delete this item and renumber the following items in proper numerical sequence.

Board of Global Ministries

Addendum #1 To The Report Of The Board Of Global Ministries

WHEREAS, the Louisiana Annual Conference of the United Methodist Church is concerned about the problem of world hunger, and

WHEREAS, World Hunger has been designated a Missional Priority for the 1977-80 quadrennium, and

WHEREAS, this priority has resulted in greater awareness of the situation of world hunger, a deeper understanding of its causes, and greater funding for development projects, and

WHEREAS, the crisis of hunger and famine continues across the world;

BE IT THEREFORE RESOLVED that the Louisiana Annual Conference of the United Methodist Church petitions the General Conference of the United Methodist Church to continue to give major emphasis to world hunger, the study of its causes, education for lifestyle changes, and the giving of funds for development projects.

**Addendum #2 To The Report Of Global Ministries
To The Louisiana Annual Conference**

The Board of Trustees of Sager Brown School wish for the Conference to be aware of the following action approved by the Board on May 26, 1979:

1. Sager Brown School, residential and education services, will be closed and discontinued effective June 30, 1979.
2. A skeleton staff to effect proper closure procedures will be retained through September 30, 1979.
3. Dissolution of the Corporation and the Board of Directors shall be effected June 30, 1979.

This action has been taken because State officials withdrew all State funding as of May 11, 1979, and The National Division has determined that it can no longer continue support for Sager Brown School for it does not have the human and financial resources to properly elevate the quality of its services.

Strategies for implementing this action have been worked out by the Board of Directors in cooperation with, and assistance from, The National Division and The Women's Division of the General Board of Global Ministries who own the property and buildings.

Lafon Home

The past year has been a most difficult one in the long history of Lafon. Deadlines have been pressing upon us and the faithful, who believe in us and want us to succeed, have been growing impatient with the passing of time.

The obstacles are falling and we can look to the coming Conference with new hope and a great word for all. We have affected an agreement with a lending agency that will finance our new building construction. All elements have been brought together and we will be under construction early fall. This, indeed, is great news.

There are some needs that we still want to remind you of in this report and sincerely hope for an immediate and generous response.

We urge that all pledges made will be completed and submitted right away to the Office of the Conference Treasurer. Use this opportunity also, to make temporarily withheld donations.

The Home is thankful for persons and agencies assisting us in this capital need. The aged of our communities need these services that will be offered by this Ministry of the United Methodist Church.

Alfred Pollar,
Director of Development

Lydia Patterson Institute

Lydia Patterson Institute owned and operated by the South Central Jurisdiction through its several annual conferences is completing its 66th year of service as part of our Church's concern for education. This year we experienced a slight decrease in enrollment, due to a most necessary increase in tuition. As has been customary, better than 80% of our students come from Juarez, Mexico, where the rate in currency is high so we must make every effort to keep tuition fees as low as possible.

Our Board of Trustees policy on Grant-in-Aid has a goal that 25% of our students be granted aid. This insures our activity in providing an education for students who otherwise could not afford to attend school. Presently, 77 students are on Grant-in-Aid (scholarships).

This year, the Board of Trustees has established an Endowment and Development Committee to ensure our future financial stability. Several conferences of the Jurisdiction have assured their "fair share" goal as a conference apportionment. This has greatly enhanced our financial base.

Through a special grant from the National Division of the Board of Global Ministries we have brought on a Coordinator of Religious Life Activities. We have added a part-time counselor whose main thrust is in career development and assisting students in college placement.

We trust we can always address the needs of students who are attracted by a church-related school. This will also take your help. With it we can help those who need us, and also train persons who can bear a positive influence in this international setting.

The Louisiana Interchurch Conference

The Louisiana Interchurch Conference has enlarged its program and services this year because it continues to receive the prayers and support of an increasing number of denominational groups in the state. An example has been the support given to the building of a chapel at the Louisiana State Penitentiary at Angola. In addition to the 20 judicatories that are members of LIC, the chapel is receiving support from the Louisiana Baptist Convention, the United Pentecostal Churches, and the Nazarene churches. The Conference believes that as we work together on matters of common concern a foundation will be created for drawing closer together. Other activities during the year have included a Workshop on the Family for 150 ministers and key lay persons in Alexandria; the establishment of a Task Force on Institutional Chaplains to increase the number and improve the quality of chaplain services in our charity and state hospitals and in our penal institutions; the establishment of an Ecumenical Coalition for Full Employment in New Orleans; a seminar on "Defense: Dollars and Sense" in Baton Rouge; support for the PUSH Excell Program in our state public schools; assistance in developing a clearing house for the employment and adjustment of ex-offenders in New Orleans; successful support for legislation to provide a complaint mechanism for persons abused in nursing homes; continued support for the Louisiana Renaissance, the program of religion and art in the state; the organization of the Child and Family Justice Project; support for disaster programs in Bossier City and general training to meet disasters throughout the state and continued support for the multi-purpose use of the Atchafalaya Basin.

The Louisiana Interchurch Conference has approved Ecumenism as its emphasis during the coming year. We encourage each congregation and each church member to come to a deeper understanding of his or her faith and the tradition by which he or she has been nurtured. Also, we encourage each congregation and each church member to study the common faith we share with other traditions, worship and work together, and move forward for the fulfillment of God's purposes of peace and justice.

Methodist Children's Home
901 South Vienna (P.O. Drawer H)
Ruston, LA 71270

Methodist Children's Home is owned by the Louisiana Conference and is governed by a Board of Directors whose election is subject to conference approval. MCH is certified by the Association of Health and Welfare Ministries of the United Methodist Church and is licensed by the Louisiana Department of Health and Human Resources.

The primary purpose of MCH is to assist children and their families in making a positive plan for their future while providing total care to the child in a stable family life environment of Christian love and concern.

During 1978 MCH was consulted regarding the needs of 406 children and youth. The agency was able to serve a total of 172 children and their families. This is a 30% increase in services over 1977.

Emergency shelter care was given to 71 children while evaluation services were provided for 91. The number of children admitted to residential care was 64. A total of 69 children were released from the residential program. 62% of those released were returned to the homes of relatives which is a result of MCH's policy of working with the entire family. The newly established foster home in Shreveport provided care for six children.

Contributions accounted for \$264,835 of the 1978 operating income. This was 3% less than 1977. Child care support accounted for \$99,322. It was necessary to take \$161,158 from endowment funds to pay the remaining cost of operation.

MCH presently has 33 full-time employees, 13 part-time employees and 15 volunteers.

Joseph Martin School, which works with special educational needs of children who are unable to attend the Parish schools. We began under the auspices of the Women's Division and are presently under the auspices of the Board of Global Ministries. Through the last year, we have received inquiries regarding placement of 74 children and have had 32 children use our emergency shelter. Informational Report

The Methodist Home Hospital, as a temporary emergency receiving home for abused, battered, abandoned, and neglected children, is the newest institutional ministry in our Conference. In 1978 we had 21,900 child care days recorded. Since opening this ministry the Home has served 1300 children from Louisiana.

We are licensed and certified for 60 children between the ages of 2 and 14 years. Significant upgrading of the staff has taken place in the last year. The Home is now a placement agency for graduate students from Tulane School of Social Welfare. While the children are in residence they are a part of a total program that includes schooling according to their age level, all medical needs, individual and group counseling. Religion is offered at both the church school and worship service.

The Methodist Home Hospital is owned by the Louisiana Annual Conference and received a large per cent of its operating budget from the local churches of the Conference. It also receives support from Conference Advance Specials.

The Board of Directors approved the operating budget for 1979 at \$545,000. This is a marked increase over last year. The Board of Directors appeals to every local church to accept an amount equal to 4% of the pastor's salary and to take the special offering in December for the Home.

Pendleton Memorial Methodist Hospital

Pendleton Memorial Methodist Hospital, 5620 Read Blvd., New Orleans, Louisiana 70127 is a full community hospital in the broadest meaning of that term. The Executive Director of the hospital is Paul A. Bjork. Its main purpose is to minister to the physical and spiritual needs of patients, always in the Name and in the Spirit of the Great Physician, Jesus Christ.

The hospital celebrated ten years of service in 1978, a decade which saw the Hospital grow as fast as the community.

Two areas which reinforce the importance of the Hospital are emergency facilities and births. In 1978, over 20,000 patients were seen in the Methodist Hospital Emergency Room, and 1390 babies were delivered, making Methodist one of the busiest obstetrical services in the city.

Steps have been taken over the past year to effect economies by participating in group purchasing plans, membership in Associated Hospital Services, a cooperative laundry, and a Same Day Surgery program when patients need not spend the night in the Hospital after minor surgery.

In the area of advanced technology, Methodist Hospital has kept pace in the community by installing a computerized tomographic (CAT) scanner, an instrument which can detect internal injuries and defects which previously required long, painful procedures, and in some cases surgery.

In addition to affiliations with LSU School of Nursing, St. Bernard Community College and Pearl River Junior College, all in the interest of nursing education, Methodist supports its own School of Radiology Technology and programs in Pharmacy, Respiratory Therapy and Physical Therapy.

In very early 1979, the Board of Directors renamed the Hospital "Pendleton Memorial Methodist Hospital" to honor the life of one of Methodist Hospital's founders and benefactors, the late Penleton E. Lehde. Mr. Lehde served as President of the Advisory Board during the Hospital's formative years and as a member of the Board of Directors until his death in 1977.

Looking ahead, Methodist will continue its planned programs of expansion to meet future needs. Please look for the Annual Report at Conference.

Retired Ministers' Homes Board

During the past year we have dedicated homes in Alexandria, Amite, Minden, and Ponchatoula. We now have 25 homes and a six-unit apartment complex.

We deeply appreciate Bishop J. Kenneth Shamblin for giving of his valuable time to be with us for each of these services. We have had full cooperation with all the District Superintendents and host pastors. It has been a rich experience to be able to provide these additional four homes. This is truly a unique ministry made possible by the contributions of the fine laity of our conference.

We have two homes under construction: one in Homer, to be occupied by Rev. and Mrs. Cleburne Quaid, and one in Belcher to be occupied by Rev. and Mrs. Fred Schwendimann. With these two homes, we will be providing housing for 50 of our conference claimants.

We have requests for four additional homes in the coming year.

During this year, the Board of the Laity has promoted numerous programs of the church, including the following:

Board Of Ordained Ministry

All ministers seeking a change in conference relationships are required to make written request to the Board of the Ordained Ministry stating the reasons for the requested change of status. (See Disciplinary paragraph 430.) With the exception of unusual situations, this letter should be sent to the Chairman of the Committee on Conference Relations not later than 90 days prior to the opening of the Annual Conference session.

All candidates for the ordained ministry must receive a certificate of candidacy issued by the district Committee on Ordained Ministry after meeting the conditions of Disciplinary paragraph 404.

Persons seeking probationary membership in the Annual Conference in 1980 must have been certified as a "Candidate for Ministry" as of June 1, 1979. (See Disciplinary paragraph 414.)

The dates of Pastor's School are July 30-August 1. The theme will be The Minister as Educator. The three persons dealing with this subject are: Dr. Leroy Howe — "The Minister As a Teacher of Theology," Dr. Tex Sample — "The Minister As a Teacher on Social Issues," Dr. W. J. A. Power — "The Minister As a Teacher of Scripture." Dr. George Outen, General Secretary of the Board of Church and Society will be the preacher and Roger Lathan will be worship leader. The School is one day shorter than usual.

"Ministers shall be encouraged to continue their education throughout their careers." . . . Paragraph 424, 1976 Discipline. Your Louisiana Conference Board of the Ordained Ministry encourages ministers to seek special opportunities for study by making available scholarships of up to \$200. These can be given to one person for only 2 years in succession. The various districts are also encouraged to have some kind of continuing education program each year with financial assistance of up to \$150 offered by the Board. Two or three districts can pool their monies for multi-district programs.

Rev. Merlin Merrill, Chairman

Board Of Pensions

A. Annuity Rate and Conference Pensions Apportionments

We recommend:

1. That the funded annuity rate for 1980 be placed at \$121.
2. That there be apportioned to the charges of the Louisiana Annual Conference the amount of \$1,000,000 pro-rated according to the Conference decimal.

B. Minister's Reserve Pensions Fund (MRPF)

1. We strongly recommend that each minister personally contribute the equivalent of three (3%) of the average Conference salary to this fund.

2. If the minister desires to add to his personal account above the three (3%) percent indicated, he may do so:
 - a. By depositing annually the equivalent of up to six (6%) percent of the average Conference salary to his personal account;
 - b. By having his employer make direct deposits in a tax-deferred annuity account, in accordance with Federal Government regulations. Funds thus deposited in either account are currently drawing interest at six and one-half (6.5%) percent. (Further information concerning the tax deferred deposit plan may be obtained by writing the Rev. Ray E. Whatley, General Board of Pensions, 1200 Davis Street, Evanston, Illinois (60201).
3. Any minister who was delinquent in his Pension Assessments prior to the Conference entry in MRPF will be charged five (5%) simple interest on the unpaid balance which, with accrued interest, will be withheld from his annuity upon retirement or earlier decease. (This is a continuation of the policy for the previous year).
4. In the event that a church is delinquent in its apportioned pension payment, the amount shall be charged against the annuity account of its minister at the time of such delinquency and shall be deducted from his annuity claim at the time of his retirement or prior decease.
5. There shall be apportioned to each agency or institution served by a minister under Special appointment with annuity claim upon the Conference the sum equivalent to twelve (12%) percent of the average Conference salary; and said apportionment shall be paid to the Conference Treasurer no later than December 31.

C. Cumulative Pension and Benefit Fund

Recognizing the need for an adequate program for Lay Employees of the local church and/or church related agencies and institutions we urge all such employers to adopt the Cumulative Pension and Benefit Fund, a program of the General Board of Pensions for full-time lay employees. (For further information, please contact the General Board of Pensions, 1200 Davis Street, Evanston, Illinois 60201).

D. Hospitalization and Medical Expense (HMEP) and Death Benefit (DBP)

1. After a deductible of \$50 per year, per person covered, 80% of medical and physician's cost will be covered. After a deductible of \$50 per year, per person covered, the next \$500 cost of hospitalization (based upon semi-private room) will be paid in full.
2. An additional "Stop-Loss" feature to the Hospitalization and Medical Expense (HMEP) results in a two (2%) percent premium increase. The additional benefit is described as follows:

The Stop-Loss feature provides that the insurance would pay in full on covered losses incurred by one person in a calendar year after \$500 loss to the insured in such calendar year. After loss of \$500 on account of such person and loss of a total of \$1,500 for the family, the insurance does not apply to out of hospital psychiatric treatment and would not apply beyond life time maximum (\$250,000). This feature is designed to insure against astronomical costs. The stop-loss feature does not apply to the "over age 65" group because of the structure of Medicare and Hospitalization and Medical Expense (HMEP).

3. Monthly premiums, beginning July 1, 1979, through June 30, 1970, are estimated to be on the following schedule:

a. UNDER 65	Per Cent Increase
Minister or Employee — \$36.75	17%
Spouse With or Without Children — \$73.22	0%
Surviving Spouse — \$49.91	0%
Child or Children — \$22.41	0%
b. OVER 65 — \$17.15	23%

4. All participants over age 65 must enroll in Medicare and Medicaid (where applicable) in order to obtain Conference HMEP benefits.

5. **REPORTING HMEP CLAIMS:** Only one **FIRST NOTICE OF CLAIM** (per person) should be sent, each calendar year, to the Travelers Insurance Company. Travelers would like to have a claim filed at least quarterly — and not held until the end of a year.
6. **Death Benefit:**
 - a. **Minister:** The coverage for the minister under the DBP amounts to 225% of the average Conference salary up to age 47, the amount received at the minister's death decreases 7½% per year until age 68, or retirement. Thus, the DBP benefit will not decrease below 67½% until age 68. From age 68 to retirement the benefit becomes 60%. After retirement, it becomes 30% and remains thus.
 - b. **Spouse:** Coverage in the event of the death of a spouse (minister surviving) is the equivalent of fifteen (15%) percent of the average Conference salary. This applies to both active and retired ministers.
 - c. **Other Dependents:** Information concerning DBP provisions for children (educational) and for adults children (disability) may be obtained from the Conference Board of Pensions, Executive Secretary, P.O. Box 4303, Shreveport, Louisiana 71104.
 - d. The cost of the program is \$165.60 per year. The amount is \$6.90 per month for each.
 - e. **Cancellation of Insurance Coverage:** When a member of the plan becomes in arrears on premium payment, in excess of two months, his policy will be cancelled; and he may only be reinstated at the discretion of the Executive Committee, after paying his amount in arrears, plus one (1) month's premium. He must also file a current medical report with his payment (a member should be aware that such a current report might deprive him of coverage for certain existing ailments).
 - f. **Recommendations:** That the local church pay one-half and the minister pay one-half of the HMEP and DBP premiums. These premiums are to be paid monthly or quarterly in advance. A church may assume full HMEP premium cost as a tax-exempt fringe benefit.

E. Other Miscellaneous Matters

1. That our Board of Pensions reimburse (upon receipt of vouchers) the necessary moving expenses incurred by ministers when they retire, up to the maximum amount of \$900, and the moving expenses of surviving annuitant(s) (who must vacate a parsonage) of a minister who dies while in an effective, associate, or probationary relationship, and of a full-time Lay Pastor under appointment.
2. When a full-time pastor is serving a church-related institution, the institution shall pay the difference between twelve (12%) percent of the average Conference salary and the amount paid on the decimal by his church or churches.
3. **Early Retirement:** If a minister chooses to take early retirement on an actuarially reduced pension, as allowed under the 1976 Discipline, Para. 434.5, he must assume his own (entire amount) insurance premiums. If he retired with 40 years service, but prior to reaching age 65, he will be required to pay one-half (½) of his HMEP and DBP until his 65th birthday, with the Conference Board of Pensions paying the other one-half.
4. That each District Superintendent assume the responsibility of informing all new Conference appointees, in his district, relative the HMEP and DBP; further, that the District Superintendents assist them in the completion of applications for the desired participation in the program; and that the Chairman of the Board of Pensions be responsible for reminding the District Superintendents of their responsibility immediately subsequent to each session of the Annual Conference.
5. **Resolution Relating to Rental-Housing Allowances For Retired Ministers of the Louisiana Conference:**

WHEREAS, the policy of the United Methodist Church is to provide a parsonage or an amount of rental allowances as part of the gross compensation for each of its

active ordained ministers; and WHEREAS, pensions paid to retired ministers of The United Methodist Church are considered as extensions of compensation and paid to retired ministers as compensation for previous active service; and WHEREAS, the determination of the amount of rental/housing allowance paid to an active minister is made by the local church as the employer; a retired minister ceases to be an employee of a local church; the Annual Conference or Conference of which a retired minister is or was a member during active service represents the local churches in pension matters, subject to rules and procedures of the General Board of Pensions of The United Methodist Church as authorized by the General Conference;

NOW THEREFORE BE IT RESOLVED:

1. There is designated by this Conference as a rental/housing allowance, the lesser amount of \$3,600 of the pension payments or an amount equal to sixty (60%) percent of the total pension payment of each retired minister of The United Methodist Church who is or was a member of this Conference at the time of his or her retirement.
2. The pension payment to which this rental/housing allowance applies shall be the pension payment resulting from all service of such retired minister from all employment by any local church, Annual Conference, or institution of the United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform service related to the ministry and who elected to make contributions to the pension funds of The United Methodist Church for such retired minister's pension.

Addenda: IRS has ruled that an ordained minister who purchases his/her own home may exclude from his/her gross income as Rental/Housing Allowance only an amount equal to the fair rental value of the home plus cost of utilities (Rev. Ruling 71-280, 1971 C.B. 92). The exclusion is further limited by the rule that allows a minister to exclude the allowance only to the extent actually expended to provide a home, furnishings, real estate taxes, etc. (to the extent that these do not exceed fair rental value), and utilities. The law sets no maximum for rental housing allowance exclusion, except that the allowance be a reasonable percentage of the individual's gross pension.

Board Of Trustees**REPORT NO. 1**

The Conference Board of Trustees has faithfully carried out all actions of the 1978 Louisiana Annual Conference in reference to properties, and the secretary of the Board has sent the copies of the resolutions and other information related to them to the respective District Superintendents in whose district these properties are located. Details of these transactions will be reported in Report No. 2.

The residence located at 4002 St. Charles Avenue, New Orleans, and which had been previously occupied by the resident bishop of the Louisiana Annual Conference, was repaired at a cost of \$3,185.80, a figure far below that which was anticipated at the last session of the Annual Conference. Only those necessary repairs were done so as to rent the property. A lease was signed on September 15, 1978, to run for one year, whereby Mr. and Mrs. John Newsham now occupy the residence at a rental of \$950 per month furnished. The real estate agent in New Orleans which handled this for us is Waguespack, Pratt, Inc. The utilities, yard upkeep, and minor repairs are not included in the lease contract. The fire, flood, and other property damage insurance was increased; and the liability insurance was increased to one million dollars. We are indebted to Mr. Ferdinand Grayson and his Episcopal Residence Committee for their excellent help in managing the affairs of the episcopal residence. By the action of this Annual Conference yesterday, May 30, and in full cooperation with the Committee on Episcopacy and the newly created Conference Headquarters Committee, your Board of Trustees, after securing a professional appraisal on the episcopal residence located at 4002 St. Charles Avenue in New Orleans and the residence formerly occupied by the Director of the Conference Council on Ministries located at 316 South Wickford Circle in Shreveport, will list these properties for sale through competent real estate agents, and will secure for the Annual Conference the best remuneration possible for these properties.

We note that the Reverend Robert Carter is retiring from the Board at this Annual Conference, and we wish to commend him for the many years of valuable service that he rendered as a member of the Board.

We express our appreciation to Bishop J. Kenneth Shamblin and his Cabinet for their competent administration of the affairs of the Conference and their excellent cooperation with the Board of Trustees in all legal transactions. We stand ready to assist him and the District Superintendents in carrying out the actions of the Conference.

REPORT NO. 2

This report supplements Report No. 1 of the Board of Trustees in order to report to the Conference the action taken by this Board on matters pending since the last Annual Conference.

- (1) **Oretta Church** (Lake Charles District). This property has not been sold, but we anticipate that it will be sold in the months ahead.
- (2) **Thompson Chapel-Morganza Church** (Baton Rouge-Lafayette District). This property has been sold, after appraisal, for \$2,000.00. The proceeds of the sale have been remitted to the District Superintendent for use in the Mission Program of the District.
- (3) **Damascus Church** (Alexandria District). We have had no offer to purchase this property.
- (4) **Union, St. Mary Parish** (Baton Rouge-Lafayette District). We have had this property appraised at \$4,500.00. We had one offer to purchase it for \$1,000.00 which has been refused. It has not been sold.
- (5) **Bentley** (Alexandria District). We have had no offers relative to the sale of this property.
- (6) **Weeks** (Baton Rouge-Lafayette District). There was no property involved in connection with the abandonment of this church.
- (7) **Union Grove** (Shreveport District). We have had no offers to purchase this property.
- (8) **Glenmora** (Alexandria District). We had an offer to purchase this property; however, the attorney for the purchaser would not approve title, because of the several acts of Union, which he did not feel properly transferred the titles to real estate. The situation has arisen many times, and the acts of union have never been questioned before. We hope to effect the sale of this property in the days ahead.

At this Annual Conference we are presenting resolutions of Abandonment of the following churches—Zoar, Ruston District; Union, Lettsworth, Baton Rouge-Lafayette District; Corinth, Shreveport District; Wesley, Shreveport District; Waxia-Port Barre Charge, Baton Rouge-Lafayette District; and Wilson, Former Slaughter Charge, Baton Rouge-Hammond District. All of these abandonments are in order, having been approved by the Bishop, a majority of the cabinet and the respective District Boards of Church Location and Building. We recommend that these churches be abandoned as necessary administrative procedure.

We have received the annual rental on the oil, gas and mineral lease on the Camp Brewer property, in Rapides Parish, amounting to \$1,217.55, which has been transmitted to the Camp Brewer Maintenance Committee of the Alexandria District.

There is attached to and made a part of this report the Annual Financial Statement of the Board of Trustees.

Reports Of Commissions**Commission On Equitable Salaries**

We, your Commission on Equitable Salaries (hereafter referred to as the Commission) expressed our appreciation for your continued support of the Equitable Salary Funds. These funds have rendered invaluable service to both pastors and charges. During the last year we have conducted a study to the end that we may more adequately meet the needs of equitable salary churches and pastors.

The effective function of our Commission has been made possible by the cooperation and assistance of the Cabinet and the prompt manner in which the men involved have supplied necessary information. This we greatly appreciate and we also sincerely commend the

efficient manner in which our Conference Treasurer, Rev. Robert Crichlow, Sr., has managed the funds of the Commission.

The Equitable Salary Fund is to be used in addition to other supplemental aid or income from other sources to bring the total income of a minister to the equitable salary schedule set by the Conference. We feel our endeavor should be to promote more fairly the economic welfare of all pastors and reduce to a minimum the tensions inherent in inadequate incomes. We recommend:

- A. \$11,000 be the maximum level of ministerial support for those who participate in the Equitable Salary Fund.
- B. We recommend that only full-time ministers participate in the Equitable Salary Program. For our purposes, full-time means:
 - a. A church or charge have pastoral work-load index of at least "75." (This index is determined by adding (1) church membership, (2) average worship attendance, and (3) average Sunday Church School attendance and dividing by 3.
 - b. The total pastoral support shall be at least \$3,000 to be permitted to share in the Equitable Salaries Fund except on the recommendation of the Cabinet and concurrence by the Executive Committee of the Commission.
 - c. The amount to be provided by the Commission for a pastoral charge will be an amount not to exceed 40% of what the church or charge pays for pastor's salary, auto expense and utility expense allowance.
 - d. That annual grants approved by the Commission shall be paid in monthly installments on the basis of funds available at the beginning of the Conference year, and in the event of insufficient funds, appropriations shall be made on a pro-rata basis.
 - e. That, in computing equitable salary grants, the total earned income, plus any mission support, social security, pensions, or other income, shall be considered. Ministers receiving supplemental support from the Equitable Salary Fund are required to report immediately any change in total income. In the absence of notification by the minister, over-payments become a refundable obligation on the minister to the Equitable Salary Fund.
 - f. That each church or charge receiving Equitable Salary support is expected to have a financial campaign such as an "Every Member Canvass," "Pony Express," etc., and shall increase the pastor's support by at least an average of 5% a year for four years or they will be ineligible to participate in the Fund.
 - g. In order for a church or charge to be eligible for Equitable Salary support, the church must pay the ministerial items (Episcopal Fund, District Superintendent's Fund, Pension Fund, and Equitable Salary Fund in the amount apportioned by the Conference CFA, and also each church or charge receiving Equitable Salary support is expected to strive to pay the apportioned amount for World Service and Conference Benevolences.
 - h. That out of the Equitable Salary Fund, the Commission on Equitable Salary pay one-half of the total premium to the Conference HMEP insurance for all full-time pastors receiving less than \$7,500 total income.
 - i. That each District Superintendent shall furnish the Chairman of the Commission on Equitable Salaries by the opening date of Conference a list of pastors receiving less than \$11,000 for consideration.
 - j. That each pastor named by a District Superintendent shall be supplied a questionnaire at Conference which must be turned in to the Chairman of the Commission before Conference adjourns so that checks will not be delayed for the month of June.

Commission On Higher Education

The major responsibility of the Commission on Higher Education is to oversee the work of the Wesley Foundation in the Conference. One of the major items of concern this past year has been the new financial arrangement for supporting the campus ministry program. The new system is based on a conference-wide apportionment instead of the former district-based system. The local churches responded very well to this new system with 85 percent of the requested amount being raised. This support has enabled the Louisiana Conference to continue to have one of the best campus ministry programs in Methodism.

Several personnel changes have occurred during the past year with new directors on the job at Tulane, McNeese, Northwestern and Southwestern. LSU has had an intern from Iliff substituting for the campus minister who is on study leave.

The program of part-time campus ministers at several of the smaller colleges has been discontinued by the Commission at the request of the Cabinet. Student work will continue at most of these places under local church sponsorship.

The program of campus ministry in the Louisiana Conference influences the lives of many students and faculty members. Each campus minister has his or her own style of ministry which is effective and gives a worthwhile diversity to the overall program. The Commission believes that the campus ministry program is an effective way to bring the church's program to the young people who are going to provide future leadership both in the church and in the state and nation.

A RESOLUTION

WHEREAS, the principal support of the campus ministry program of the Louisiana Annual Conference is now apportioned on the decimal by the conference to the local churches, and

WHEREAS, there is a need to interpret this special ministry to the local church to increase its participation in this campus ministry, and

WHEREAS, there does not uniformly exist any named position of leadership in the local church with assigned responsibilities for campus ministry, now, therefore,

BE IT RESOLVED by the Louisiana Annual Conference of the United Methodist Church, that each local church in the Louisiana Annual Conference establish the position of Coordinator of Campus Ministry in the local church. The coordinator is to be a member of the Administrative Board, the Council on Ministries and Work Area of Education as may exist in the local church. The coordinator is to be elected by the Charge Conference upon nomination by the Committee on Nominations and Personnel. The duties of the coordinator are those as outlined in A Report On The Bishops' Consultation On Ministry in Higher Education, September, 1976, pp. 25-26. A copy of the guideline to be made available to local churches by the Conference Commission on Higher Education.

In local Campus Ministry's situation, where funds from the Conference allocated through the Commission on Higher Education are inadequate to meet certain maintenance, renovation and other non salary needs, be it resolved that we authorize Campus Ministries to solicit such funds from local churches and/or Districts to meet such needs.

William H. Patrick, Jr., Chairman

Campus Ministry

The Campus Ministry report to the 1978 Annual Conference included several very ambitious objectives. Delegates to the 1979 Annual Conference should be pleased to hear that these objectives have been reached and have in fact exceeded the expectations of many persons involved in campus ministry. The State-wide Student Conference last Fall was attended by students from every Wesley Foundation in the state except one and also by representatives from Centenary College and Dillard University. The impact of the conference can best be described as a spiritual renewal. As a result of this renewal there have been several cooperative events between Wesley Foundations on a regional basis. We also received a clear mandate to have another state-wide conference in the Fall of 1979. We no longer feel ourselves isolated in individual ministries, but are a part of a conference-wide ministry with common goals, objectives and experiences.

Ministry in our individual units continues to meet a wide variety of needs by taking advantage of available resources in the academic community. Programs include seminars and workshops on theological, cultural, political and scientific concerns. Bible study, worship, counseling and service to both the university and larger community are common in our centers.

The Campus Ministers join with the Commission on Higher Education in expressing our gratitude for the faithful support of churches and of church people throughout the conference. The spiritual and material support of United Methodists in Louisiana insures the continued growth of our common ministry in the academic community.

Centenary College

The ascent to fiscal health of Centenary College is undoubtedly due in large part to our fellow Louisiana Methodists: we are on the way! The care and superb leadership of Bishop Shamblin, the guidance of the Cabinet and Commission on Higher Education, and the readiness of the congregations to support sacrificially, enabled a new direction for Centenary, and we are grateful. Dr. Simmons and I also deeply appreciate the welcome the churches extend us, Sunday by Sunday: it makes all the difference!

Now to the future: Centenary's plan for the next five years is titled "E.Q.U.I.P.S." in that it equips the College for the rest of the century:

- E: Every church, a paid student
- Q: Quality of student life, unsurpassed
- U: Urgent austerity
- I: Increase of enrollment to 1200
- P: Program for \$20 million endowment
- S: Self-sustained budget

It is not accidental that the first item is placed at the head of these priorities. It is crucial to the life of the College — and the Conference — that many more of our fine young Christians get their higher education here: if each church were to have at least one of its sons or daughters at Centenary, either able to pay tuition, or with scholarship help from the local church, it would not merely meliorate the finances, it would enhance greatly the spiritual character, of Methodism's College in Louisiana.

We are grateful to the Conference for its ministry, and are glad we share it.

Dr. Donald A. Webb, President

Dillard University

The health of Dillard University is good academically, administratively and financially.

On a quantitative and qualitative basis, Dillard this year reached a new pinnacle in terms of student population. In spite of increased standards of admission, the University has the highest enrollment in its 110-year history. At a time when many schools are experiencing declining enrollment, Dillard had an increase of 5.1 percent.

Academically, the Freshman Program was made more demanding and challenging by the refinement and revamping of offerings in the humanities, mathematics and the social sciences. This has made the academic program more attractive to students who are committed to the pursuit of scholarship.

Relations of alumni to the University have improved financially and psychologically. Because of the dramatic increase in alumni giving, Dillard was awarded an Alumni Challenge Grant from the Bush Foundation which could mean \$112,327 for the University, 12-fold increase over the \$9,311 raised five years ago.

Dillard is proud of its long record of sound and efficient fiscal management. The University's excellence in financial management is well documented by the perfect "report card" it received last year from the United Methodist Church on a set of management guidelines which included such areas as balanced budget, tuition and fees, unsupported student aid, endowment yield as a percent of revenue, alumni support, church support, etc.

It is the continued support of the church which accounts, to a great extent, for the well-being of Dillard.

Dr. Samuel D. Cook, President

Commission On Archives And History

The Louisiana Conference Commission on Archives and History is charged by the Discipline of the United Methodist Church with cultivation of appreciation on the part of our people of our Methodist heritage, and with the preservation of the various historical records of Louisiana Methodism, its conferences, agencies and institutions.

The Commission maintains two depositories: (1) the "Louisiana Methodist Archives", housed in the Cline Room at Magale Library at Centenary College, Shreveport, and (2) a depository housed at Alexander Library, Dillard University, New Orleans.

We are pleased to report that significant progress has been made in the continuing task of securing, evaluating, cataloging and preserving the important archival materials which over the years have been entrusted to our care.

We remind the various agencies of the Annual Conference that their important records, which are no longer needed for current operations, should be delivered to the Louisiana Methodist Archives for preservation.

We are grateful for the concern for our Church's history which has led ministers and laypersons to preserve, in their personal care, important records of the Conference, its agencies, institutions, and local churches which otherwise might have been lost to us. We encourage any who have such official records to deposit them for permanent care in the Archives. We invite all who share this concern to assist in the discovery of, request for, and deposit of such Church records.

The Commission plans the publication of an "Historical Register" of local churches in the Louisiana Conference. Toward that end, each church will be asked to complete a simple form which will provide the Commission with needed data for its church listing.

We encourage qualified local churches to become registered with the Commission as "Historic Sites." Forms are available from the Louisiana Methodist Archives, Magale Library, Centenary College, Shreveport, Louisiana 71104.

The Commission plans a bi-district church history workshop in the autumn of 1979 at a date and location to be announced.

Commission On Religion And Race

The Commission on Religion and Race sponsored a workshop on March 16-17, 1979 at Mt. Zion United Methodist Church in New Orleans. The theme of the workshop was "Racial Inclusiveness." The purposes were to identify expressions of racism in the Louisiana Annual Conference, to develop programs and strategies to eliminate them and to increase the sensitivity of the Conference leadership, to the nature of pluralism and inclusiveness in the United Methodist Church.

The workshop began by identifying what it felt to be racial practices within the Louisiana Annual Conference.

1. Using "studies" to avoid realities of Racial Issues, through cut and dry legislation which promotes a lack of inclusiveness in the decision making process in the Louisiana Annual Conference.
2. There is a racist climate within the Louisiana Annual Conference that destroys the hopes and aspirations of ethnic minorities and promotes a concept of "divide and conquer."
3. There are structures within the Louisiana Annual Conference that perpetuate racism with reference to open itineracy, tokenism in leadership and institutional segregation.

After the workshop on racial inclusiveness identified the three problems, it was in a better position to work toward a solution to them.

RECOMMENDATIONS:

Problem 1: —Eliminate referrals to studies when those studies foster continued support of an element of racism; To evaluate racial patterns that discriminate against ethnic minorities.

Problem 2: —The Conference Commission on Religion and Race should sponsor a workshop on the ethnic minority churches for the purposes of grounding out insecurities relative to their presence in a predominantly white legislated conference. The workshop should be scheduled for the fall of 1979; Policy should be reviewed and Pastor-Parish Relations Committee duties and goals should be re-defined. (In some cases attitudinal changes may have to occur.) i.e. within individual church itself; Workshop sponsored by Annual Conference Committee on Religion and Race in cooperation with District Superintendents for 1980; Equality in race, truth and peace should come first as opposed to "tokenism" and business in the Louisiana Conference.

Problem 3: —That by the end of 1984 quadrennium there be visible signs of racial inclusiveness in ministerial and leadership appointments and institutional support; That for the 1981-84 quadrennium, the nominating committee of the Annual Conference seek ethnic minorities to serve on Conference Boards and Agencies; That the Annual Conference immediately pursue more aggressively the funding for Lafon United Methodist Home by assigning fair share goals for each local church.

The Conference Council on Ministries shall appoint a Task Force to work in cooperation with the Conference Commission on Religion and Race, to develop specific suggestions to further the witness of the Conference in race relations, and a report of this Task Force shall be made to the next session of the Conference (1980).

The Commission on Religion and Race is hopeful that the Louisiana Annual Conference will consider these recommendations in light of the needs, aspirations and desires of the ethnic minority constituency.

Nathan Daniels, Jr., Chairman

Commission On Status And Role Of Women

During this year members of this Commission have met with groups beyond Conference borders to share ideas and learn ways in which we can be more effective in our actions. We were represented at a meeting of the North Arkansas and Little Rock Conferences in Little Rock, the Consultation of Clergy Women in Dallas (with both Lay and Clergy represented) and the Regional Training Event in Denver, sponsored jointly by CoSRoW and the Women's Division, relating to selection and training of Delegates to General and Jurisdictional Conferences.

Within the Louisiana Conference we are represented in UMW, with the chairwoman being granted voting privileges on the Conference Executive Committee, and also serving on the Conference Council on Ministries and the Board of Laity.

Our goals for this year (and the future) include:

1. Involvement of women in all phases of the church's life. To this end, we encourage all ministers of the Conference to use women in their pulpits at least one time each year — either Clergy women or Certified Lay Speakers. To facilitate this, we urge District Superintendents to circulate lists of such Speakers to their Districts.
2. Recognizing and supporting Clergy women through contact with seminarians, presentation of record books to ordained Elders, brochures, and a luncheon during Annual Conference.
3. Encouraging more women to consider full-time church careers, both as Clergy and as Diaconal Ministers. We hope to work with the Board of Diaconal Ministries in promoting enlistment.
4. Working toward the responsible selection of Delegates, both women and men to General and Jurisdictional Conferences. To this end, we have prepared, with the cooperation of UMW, and the Board of Laity, a list of interested, qualified and dedicated people for consideration during this year's elections.

Because we are all children of God, this Commission hopes to unite women and men in serving His Kingdom.

Committee On Communications

The Committee on Communications met on January 19 in Alexandria, to consider three issues: (1) the Conference paper; (2) the Conference Resource Center; and (3) improvement of communication in and between the churches.

The Committee recommends including articles written by our Bishop as often as possible on issues facing the churches. More editorial comment and opinion columns are also encouraged. Press releases to secular publications emphasizing positive contributions of the church were emphasized.

The Conference Resource Librarian was authorized to establish a committee from a cross section of a Shreveport-Bossier United Methodist Churches to select films to purchase. A list of new material in the Library is to be published regularly in the Conference paper.

The Committee approved multiple mailings as the more beneficial form of communication to the churches from the Council on Ministries office in Shreveport.

A Communications Training event was planned for the early Fall. The dates are August 25, in Ruston for North Louisiana and September 8, in Baton Rouge for South Louisiana. The following subjects will be covered: (1) How to do local newsletters and direct mailing; (2)

How to better use the Resource Library; (3) How to submit articles to the "Louisiana United Methodist" paper; (4) How to turn in press releases to local papers. Pastors, local church secretaries, and local Coordinators of Communications will be encouraged to attend.

Committee On Courtesy

The Bible is filled with names because individuals are crucial in the life of the church. I have dozens of names of members of this conference who have made special contributions to what we share here. Both clergy and laymen, those who brought inspiring messages or kept the records, those who anticipated our coming by handling arrangements or prepared the reports, the one who presided, the tellers . . . in doing the job for which they were selected they brought a special dedication through which our proceedings were enhanced.

They would be the first to admit that their efforts were undergirded by countless others whose loving hands created the banners, prepared the meals, labored and served so that our reports would have substance.

They were joined by others from churches in Shreveport whose love of Christ and his church prompted them to serve at the registration tables and as pages, handle concessions (from which $\frac{1}{2}$ the proceeds go to relieve world hunger) and brought glorious special music.

I have mentioned no names of delegates or local members who served . . . During the conference I have heard you express personal appreciation. Rather than me read a list at the close of the session wouldn't it be better if each of us made a special effort to personally thank these who serve us — when we see them in the halls, when we see them as we are in their churches, if we return to conference next year . . . express our personal appreciation at every opportunity.

I will simply say on your behalf, "thank you" to our hosts — Centenary and First Methodist. Thank you Jeffrey Teter who was assistant for arrangements here, Richard Anders who handled housing and Mr. Buckner who is in charge of maintenance, and William Teague who arranged for music.

We thank James Peters, Pat Floyd and Walter Underwood who prodded our minds and lifted our spirits with their messages. Personal visits by Mildred Walton, Pauline McDowell, W. E. Trice, Ben Petty, Ben Oliphant and chaplains whose presence prompted memories and added warmth to our fellowship.

Our gathering has been blessed by all who sewed. Following their example let us go out to serve, that all might be blessed.

Respectfully submitted,

Wanen Blakeman, Chairman; Ned Stuart; Leland Wade; M.C. Cady

Committee On The Ethnic Minority Local Church

We firmly believe the purpose of the EMLC committee is to elevate and strengthen minority entities in our conference, to the extent that all will become equal partners in the entire church.

We sponsored a Conference Convocation on the Ministry for the EMLC on Saturday, November 4, 1978 at First UMC, Alexandria, Louisiana. Our purpose was to focus on ministerial leadership and recruitment in the local church with emphasis on model for ministry in the EMLC in Louisiana. The findings were:

1. There is a decrease in the number of Ethnic Clergy within the connection.
2. The situation will darken due to the high percentage of Black Ministers in the 55 or over age bracket.
3. There are no Black Ministers presently attending Seminaries from the Louisiana Conference.

4. There are less than fifty Black churches that offer a base salary of \$12,000 or more in our Jurisdiction.

We conducted a Conference Workshop on Christian Education for the Ethnic Minority Local Church on Saturday, April 28, 1979 at Camphor Memorial UMC, Baton Rouge. Our focus was to strengthen the work of the Church School in the EMLC in Louisiana. Our purpose was to train Pastors and certain Lay Persons in key positions in the EMLC in (1) Organizing Sunday School Classes; (2) Improving Sunday School Classes and Recruiting New Teachers; (3) Selecting, purchasing and studying UM literature and new models. Consultants and resource persons were the Louisiana Conference Council on Ministries staff and other Conference leaders.

A scholarship program for Ethnic Minority students given by Aldersgate UMC, New Orleans-Slidell district is presently available. The purpose is to provide \$1,000 per year for Ethnic Minority students of Louisiana who wish to attend seminary. They are designating St. Paul School of Theology in Kansas City to be the recipient of the funds.

We recommend that ethnic minority pastors give serious consideration to ministerial recruitment in the church and parish; that ethnic minority congregations give positive consideration toward salary raises and efforts be made to make salaries commensurate with salaries around the Conference.

We recommend that the District Committees and Conference Board of Ordained Ministry promote special recruitment programs for ethnic minority pastors in the Louisiana Conference.

We recommend approval to hire a professional person(s) as a paid parish worker(s), to train lay persons in the local church, and help develop total concept of local church ministry in ethnic minority churches in the conference. Our purpose will be to provide specific training in the development of the church school; stewardship; evangelism; ministerial recruitment and youth/young adult ministries. All funds will be secured through voluntary contributions, the launching date will be the fall of 1979.

We recommend that we seek to establish new sites for ethnic minority churches in the South Monroe Area — Monroe District; Baton Rouge-Hammond District, and the Lake Charles and Ruston Districts.

George W. C. Calvin, Chairman

Committee On Episcopacy

This committee, established by the last General Conference, has the function of being a link between the Episcopal office and the people of the Annual Conference.

The committee's role is to be supportive, to be available for counsel, and to provide interpretation and a linkage of communication.

On behalf of the Conference, the Committee on Episcopacy expresses appreciation for the work of Bishop J. Kenneth Shamblyn as the Bishop of the Louisiana area. We are thankful for his oversight of the spiritual and temporal affairs conducted with leadership, ability and Christian commitment in the churches of our Conference, and for the pastoral concern and the spirit of Christian love that he demonstrates towards the needs of the ministers and people. We look forward to his continued Episcopal leadership in the future.

Delegates to the 1979 Annual Conference should be advised of one item which has been recently referred to the Committee on Episcopacy.

The committee will meet on April 23, 1979 and in addition to the other functions assigned as its responsibility by Paragraph 733 of the Discipline, the committee will consider a request which has been made by the Cabinet. The Cabinet has recommended to the committee that plans be made to locate, with the concurrence of the Jurisdiction, the Episcopal residence and office in Baton Rouge as a more convenient geographic location from which the Bishop can serve the churches of the Conference, and also to consider locating all of the Conference offices, i.e., Treasurer, Council on Ministries, etc., in Baton

Rouge in order that the administrative offices of the Conference may operate out of a central location.

The committee will receive and act upon the Cabinet recommendation at its meeting on April 23, and will present its conclusions to the Annual Conference. The impending consideration by the committee of this matter is being reported by this statement in the pre-Conference report so the Annual Conference delegates will be aware of its discussion as a possible item of business for the Annual Conference.

The committee wishes to be available to any need relating to fulfilling its disciplinary function as a linkage of communication within the Annual Conference.

Committee On Episcopacy Resolutions

The Committee on Episcopacy of the Louisiana Annual Conference recommends the following resolutions to the 1979 session of the Annual Conference:

RESOLUTION I: That the Bishop's office and the episcopal place of residence be moved from New Orleans to Baton Rouge, and that the Conference offices now located in Shreveport be moved to Baton Rouge.

RESOLUTION II: That the Louisiana Annual Conference authorize the Trustees to sell the episcopal residence located at 4002 St. Charles Avenue, New Orleans, and the parsonage used by the Council on Ministries director located at 316 South Wickford Circle, Shreveport. Proceeds of these sales are to be deposited with the Conference Treasurer to be held at interest until authorized to be used by the Annual Conference. (The legal papers to implement the intent of this resolution will be presented to the Annual Conference by the Board of Trustees.)

RESOLUTION III: That the Conference Council on Finance and Administration make adjustments in the 1979-1980 Conference budget to cover the cost of moving the Bishop and the Conference offices to Baton Rouge and to take care of the cost of establishing their offices there. (See Appendix 1)

RESOLUTION IV: (1) That the Annual Conference authorize the selection of a site in Baton Rouge and the building or purchase of a suitable building to be a Conference Headquarters Building for the offices of the Bishop, the Conference program council staff, treasurer and foundation offices, and the Baton Rouge district superintendents. (2) That the proceeds of the sale of the Bishop's residence in New Orleans and the council director's residence in Shreveport be used as the initial funding of this building and that the rents from these various agencies, having offices in the building, be used to retire the balance of the building costs. (3) That the Bishop appoint a Conference Headquarters Building Committee to implement the selection of a site, the design and construction of the building. (4) That the Conference Board of Trustees be authorized to purchase property for the building, in the name and on behalf of the Annual Conference, selected by the Conference Headquarters Building Committee, and to enter into a building contract on behalf of the Annual Conference for the construction of a headquarters building, and to execute the necessary legal instruments for financing the costs not covered by the proceeds from the sale of the two houses. (The Board of Trustees will present to the Annual Conference the legal resolutions required for this action.) (5) That the financial arrangements for the headquarters building shall be subject to the approval of the Conference Council on Finance and Administration, and if the cost of the building site, the construction cost and the anticipated operational cost cannot be provided from the proceeds received from the sale of the two houses and a mortgage which can be retired by payments approximately equal to the rents that would be paid by the agencies using the building, that construction be delayed until the financial arrangements can be presented to a future session of the Annual Conference.

APPENDIX 3

Proposal For A Conference Headquarters Building

1. Size of building

The Conference offices in Shreveport and the Bishop's office in New Orleans and the two Baton Rouge district offices now occupy about 4,000 square feet of office space. This measurement does not include any restrooms, corridors, air conditioning and heating equipment, or reception areas. If these spaces were to be included in a building, plus one meeting room, the square footage would be 5,500 to 6,000 square feet.

2. Anticipated cost of building

At the present time sound but not elaborate office space is being built in Baton Rouge for between \$40 to \$50 per square foot. A building of 6,000 square feet of space at the higher estimated cost of \$50 per square foot would cost \$300,000 to build. Cost of land upon which to build the building will depend upon location in the city, and no specific cost can be determined until a group is authorized to look for a site.

3. Paying the cost of the Conference Headquarters Building

The proposal for the headquarters building is based upon the anticipation that a large part of the cost will be covered by the proceeds from the sale of the Bishop's residence in New Orleans and the Council on Ministries' director's parsonage in Shreveport. (The Bishop will provide his own housing out of the housing allowance paid to all Bishops by the General Church Treasurer and the Council on Ministries' director will be paid a housing allowance by the budget of the Council on Ministries.) Both the New Orleans and Shreveport properties are very desirable pieces of real estate and should sell for a substantial amount.

Rents for the office space now being used by the Conference agencies and the two Baton Rouge districts total \$19,600.00 per year. If a building were to be built, these funds would be used toward the payment of the cost of the building.

The proposal to build a building has the specific condition concerning cost stated in Resolution IV. The condition is that should the sale of the two properties in New Orleans and Shreveport and an amount approximately equal to the rents being paid by the agencies be inadequate to cover the cost of the Headquarters Building, that the whole matter must be referred back to another session of the Annual Conference before a building contract can be made.

Committee On Parsonage Standards

We plan to send the Parsonage Standards, which were adopted at Annual Conference last year, to all of the chairpersons of local church Pastor-Parish Relations Committees and also to the pastors. We appreciate their thoughtful responses to the questionnaires which we sent them. Their responses were a very helpful contribution to the development of the Parsonage Standards.

We do wish to call to the attention of all concerned that with the adoption of the report of this Committee last year, there is now a supplement to the Annual Report of Trustees entitled "Parsonages Check List." This report is to be called for along with other reports to the Annual Charge Conference.

Larry D. Robertson, Chairman

The Pensions Study Committee

On October 12, 1978, the Pensions Study Committee, established by action of the 1978 Louisiana Annual Conference, met and organized. Officers elected were: James J. Caraway, Chairman; D. L. Dykes, Jr., Vice-Chairman; and Charles Goodgame, Secretary. Other members of the committee are: Mrs. Clara Kennon, Charles C. Teamer, R. H. Nelson, Jr., Leslie McKenzie, Tom F. Ruffin, Douglas L. McGuire, J. Woodrow Hearn, Nathaniel Perry, Stone W. Caraway (ex officio), and Bishop J. Kenneth Shamblin (ex officio).

The purpose of the committee by Annual Conference action is: to make a thorough study and evaluation of all phases of the entire Conference Pension plan, making use of the advice

of at least two recognized outside professional companies or firms; that while the study is being made at least two immediate goals of this study be the formation of a pension plan which provides the following: (A) A total permanent reserve Pension Fund of \$10,000,000 within 5 years from the date of this resolution's adoption; (B) An increase in the per service year annuity rate of the current retirees by a minimum of \$10 per service year for 1979, and that the Board of Pensions make other appropriate increases annually during the course of the study.

That it be thoroughly understood that these immediate goals are for the interim period of the study only and not meant to bind the Study Committee in any way for the future.

That the above study be made, a preliminary report given to the 1979 session of the Annual Conference, with a goal of a complete plan presented for final approval no later than the regular session of the Annual Conference in 1981.

At the first meeting, a review was given of the present pension program of the Louisiana Conference. The first action of the committee was to invite leaders of the present General Board of Pensions to come to Louisiana and discuss with the committee the present pension program of the United Methodist Church and directions of the program for the future. On January 10, 1979, Gerald K. Hornung, General Secretary of the Board of Pensions; Ray E. Whately, Assistant General Secretary; and Frank Markel, State Actuary, met and discussed at length with our committee the pension program and possible directions of the future of the program for Louisiana and the general church.

During the year of 1979 the committee will study the proposals being made by the Special Task Force on Pensions of the General Church to come before the 1980 General Conference. To carry out the instructions of the Annual Conference, the next step of the committee will be to seek the advice of two recognized outside professional firms in a study and evaluation of the Conference Pension Program.

The committee will make a second progress report to the 1980 Louisiana Annual Conference.

D. L. Dykes, Jr., Vice-chairman

LMCF is a religious and Educational Foundation organized in 1942. It is non-denominational supported by individuals and churches of many faiths, and tax exempt for those who wish to make contributions.

The Objectives of LMCF are: To enlist and assist those who desire and will work to provide a healthy moral climate for our State and Nation; To educate youth and adult alike in the inherent dangers to be found in alcohol and drug abuse; To promote a positive moral life style among the youth of our state; To assist the citizen and elected official alike in their commitment to good government; To keep the citizen and elected official informed as to possible influence of present or pending legislation upon the moral climate of our state; and To offer Christian solutions to the moral problems of our day.

There are three Divisions of LMCF: Legal and Legislative, Educational, and Promotional.

The Louisiana Moral and Civic Foundation continues to be an extension of the church, doing for the church what the church cannot readily do for itself. In the halls of state and local government, in the schools, and throughout our state, LMCF responds to the calls for assistance in combatting problems of a moral nature. Dr. Harrington, a longtime Methodist leader in our conference, gives gifted assistance to Ken Ward, the Executive Director.

Minister's Emergency Aid Fund

During the Past Conference year the Cabinet has administered the Minister's Emergency Aid Fund. Fourteen grants have been made to ministers, or their families, in the amount of \$6,441.50.

As of January 1, 1979, there is a balance in the fund of \$38,447.14. We recommend that the following rules continue in effect:

1. That each effective minister of the Louisiana Annual Conference be assessed an amount equal to one half of one percent of the minister's base salary for 1979, to be paid to the Minister's Emergency Aid Fund.
2. That this fund be used to provide emergency benefit aid to the ministers of the Louisiana Annual Conference who may be in special need; and that this emergency aid be given, subject to the following limitations:
 - A. The maximum amount allowed for a single emergency will be \$1,000.
 - B. The amount for a continuing emergency may be determined by the Cabinet.
3. That each pastor and local church be requested to cooperate in providing an adequate hospitalization insurance program for family protection.

Task Force On Institutions

Members: Byrl Moreland, J. Vernita Booker, W. A. Baker, Kirby A. Vining, Donald J. Hall, Jack Cooke.

The Annual Conference of 1977 called for the appointment of the Task Force on Institutions to evaluate the over-all financial conditions of all the institutions within the Louisiana Conference related to the United Methodist Church to determine insurance coverage and liability of the institutions and the conference in regards to the institutions and to recommend possible means of support to the institutions.

For the past two years the task force has worked with the institutions and agencies of the Annual Conference in seeking to carry out its responsibility to the Conference and the institutions. As reported to the Annual Conference in 1978, the Task Force on Institutions invited the chief executive officers of each of our conference — related institutions to meet with Bishop J. Kenneth Shamblyn and members of the task force in two regional meetings. Next, a survey prepared by the task force was completed by the institutions and then

evaluated by the task force. Later, teams from the task force visited various institutions throughout the state.

Out of the review of the surveys and visits, it was evident that not all institutions within the bounds of the Louisiana Conference had the same relationship to the Conference. This even led to the usage of the word "Institutions" by the United Methodist Church, along with such words and terms as agencies, missions, and ministries.

The following classification of institutions was developed by the task force:

I. INSTITUTIONS OR MISSIONS RELATED TO THE BOARD OF GLOBAL MINISTRIES

A. Institutions or Missions Related to and/or Owned by the Louisiana Annual Conference

1. Louisiana Methodist Children's Home, Ruston, is owned and operated by a Board of Directors nominated by a committee of the Board and elected by the Louisiana Conference. Insurance is carried on property: \$1,893,000; liability: \$100,000/300,000; and Workmen's Compensation: statutory. Note: At the time of the team visit the trustees were not covered with liability insurance as a group. The Methodist Children's Home has had major support from the Louisiana Conference through the years with Harvest Day and Easter offerings from local churches. The Methodist Children's Home primary purpose is to assist children and their families in making a positive plan for their future, while providing total care to the child in a stable family-life environment of Christian love and concern.
2. Lafon Home, New Orleans, had its beginning 111 years ago and is owned and operated by a Board of Trustees elected by the Louisiana Conference. The institution is now undergoing a period of transition. A capital funds campaign was launched in September, 1976, to replace the buildings, which by current state and federal standards became obsolete and hazardous. Commencement of construction of a new home is planned before the end of the current year. The purpose of the home, in its historic tradition, will be to give Christian nursing care to needy aged people.
3. The Methodist Home Hospital, New Orleans, properties are owned by the Louisiana Annual Conference; the Bishop and Cabinet appoint the Superintendent; and the Annual Conference elects the Board of Directors. By Conference action, the charter is approved and revised as needed, and Conference action determines the ministry of this institution. Insurance on property is adequate, and the Board is in the process of obtaining more adequate liability insurance, which has been \$100,000. The present financial condition of the institution is good. The present ministry of the home is that of Christian service as an emergency receiving home for abused, abandoned children, ages two through fourteen. The home is under contract with the Division of Family Services of the State of Louisiana to take any child as long as space and facilities permit.
4. The Pendleton Memorial Methodist Hospital, New Orleans, is owned by a corporation in trust for the United Methodist Church, and the trustees are elected by the Louisiana Conference. Adequate property and liability insurance is carried by the institution. The financial condition of the institution is very strong at the present time. The main purpose of Pendleton Memorial Hospital is to minister to the physical and spiritual needs of the persons who come as patients, always in the name, and we trust in the spirit of the great physician, Jesus Christ.
5. People's Methodist Community Center, New Orleans, property is owned by the Louisiana Conference. Property and the Board of Directors is elected by the Louisiana Conference. Property and liability insurance is carried by the institution, but the \$100,000 liability coverage is not considered by the

Director to be adequate, and this will be considered by the Board of Directors at the next meeting. The institution is operating in the black, but it is a close operation with major fundings coming from governmental agencies and the United Way of New Orleans. The purpose of People's Community Center is to provide services for those persons who are searching for realistic life by bringing together the family through Day Care Services, Counseling, Recreation, Senior Citizen Ministries, Continuing Education, etc.

6. The Retired Ministers' Homes, Inc. is owned and operated by a Board of Directors elected by the Louisiana Conference. Adequate property and liability insurance in the amount of \$300,000 is carried by the institution. The overall financial condition is good, with the policy of cash being paid for homes and funds provided by the occupants on a monthly basis for insurance and maintenance. The purpose of Retired Ministers' Homes is to provide housing for retired and disabled ministers and/or widows.
7. Glenwood Hospital, West Monroe, is owned by Hospital Service District No. 1, Ward 5, of Ouachita Parish and is operated by a Board of Trustees elected by the Louisiana Conference. The Conference has had no financial obligation and has not been called upon for any financial support by the institution. The financial condition of the institution is good and adequate insurance is carried by the Board of Trustees. The purpose of the institution is to give a Christian ministry of healing to persons who come as patients to the Glenwood Hospital.

Members of the task force, having met with the directors of the six institutions named above which receive Conference support, make the following recommendations to the Annual Conference:

1. That Special Offerings for Lafon United Methodist Home, People's Community Center, Retired Ministers' Homes, Methodist Children's Home, Methodist Home Hospital, and Pendleton Memorial Methodist Hospital be discontinued as of December 31, 1979
 2. That in place of these, there shall be two Special Offerings, beginning in 1980, on Easter Sunday and during Christmas; that designated/memorial gifts be allowed any of the six institutions a donor desires; that undesignated giving be divided according to a percentage formula based on Conference giving to the six institutions over the past three fiscal years; that the goal for giving in the 1980 fiscal year be \$500,000; that promotion for the Special Offerings be the responsibility of the Committee on Health and Welfare Ministries of the Conference Board of Global Ministries, with the six institutions being allowed to do cultivation during the other ten months when there is no Special Offering; and that an amount not to exceed \$3,000 per year be taken from the total of Special Offerings before any division is made, to be used by the Committee on Health and Welfare Ministries for promotion.
 3. That representatives, named by the six institutions, be ex officio members of the Committee on Health and Welfare Ministries of the Conference Board of Global Ministries; and that the Committee be charged with cultivation and promotion of the institutions; after 1980, with determining the percentage formula for dividing undesignated giving; and with making the Conference aware of the work of these agencies.
 4. That the Bishop and Cabinet be requested to coordinate District Conferences in 1980 so that these six institutions may be given an opportunity to present their causes.
- B. Institutions or Special Ministries Related to the Districts of the Louisiana Conference.
1. Metropolitan Ministries of the Shreveport District.

2. Metropolitan Ministries of the New Orleans-Houma and New Orleans-Slidell Districts.
3. Spanish American Ministries of the New Orleans-Houma and New Orleans-Slidell Districts.

These special ministries are related to districts of the Louisiana Conference and they receive support from the Conference by being designated as Conference Advance Specials. They also receive grants from SAM Funds from the Louisiana Conference Board of Global Ministries.

The Task Force on Institutions recommend the present means of support by the Louisiana Conference to these special ministries be continued.

- C. Institutions or Missions Related to the General Board of Global Ministries located in the Louisiana Conference.
 1. Dulac Community Center, Dulac.
 2. Macdonnel United Methodist Children's Services, Inc., Houma.
 3. Sager Brown, Baldwin.
 4. St. Mark's Community Center, New Orleans.

These institutions or missions have no official relationship to the Louisiana Conference. The properties of the institutions are owned by the Women's Division of the General Board of Global Ministries of the United Methodist Church. The properties of these institutions are leased by the Women's Division to local operating agencies, incorporated. The local boards of directors are self-perpetuating boards that nominate and elect their successors and do not require approval of the Annual Conference, Women's Division, or General Board of Global Ministries.

Support from the Louisiana Annual Conference for these institutions is given through the United Methodist Women, General Advance Specials designated for the named institution, and funding through the World Service budget of the United Methodist Church, to which the Louisiana Conference contributes each year as determined by the World Service decimal response of the local churches of the Conference. The Task Force on Institutions recommends the continued support as designated above for these institutions.

II. INSTITUTIONS OR SPECIAL MINISTRIES RELATED TO COMMISSION ON HIGHER EDUCATION

- A. Campus Ministries — Wesley Foundations
 1. LSU — Uniting Campus Ministry
 2. Southern University Wesley Foundation
 3. Southeastern University Wesley Foundation
 4. USL Wesley Foundation
 5. McNeese State University Wesley Foundation
 6. SUNO, Delgado Wesley Campus Ministry
 7. UNO Tulane-Newcomb and Medical Ministry
 8. Northwestern State University Wesley Foundation
 9. Louisiana Tech University Wesley Foundation
 10. Northeast Louisiana University Wesley Foundation

These ten institutions are directly related to the Commission on Higher Education and have usually been classified as full-time campus ministries. They are now supported by the Higher Education Fund, which is apportioned to the local churches of the Conference under the Conference decimal. The apportionment for 1979 totals \$275,000. The task force recommends that the Louisiana Conference continue the present form of support for the special ministries.

We recommend that the part-time campus ministries become the responsibilities of local churches in the areas of such institutions of higher education and that the Louisiana Annual Conference not supply salary support for such ministries as a Conference.

- B. Centenary College of Louisiana was founded in 1825 and is directly related to the Louisiana Conference. The Board of Trustees is elected by the Louisiana Conference. The purpose of Centenary College is to provide quality higher education in a Christian setting. Insurance coverage is carried by the college on property, including liability: \$300,000 bodily injury/property each occurrence; and Workmen's Compensation: \$100,000. Overall financial condition has improved over a year ago, but current income does not meet current expenditures. The Task Force on Institutions recommends that financial support continue to be placed on the Conference decimal (\$300,000 for 1979) and also that local churches recruit and provide a direct scholarship for a student from the church to Centenary.
- C. Dillard University has a unique historical association with the United Methodist Church. For, in 1869, one of Dillard's predecessors, New Orleans University, was founded by the Freedman's Aid Society of the Methodist Episcopal Church. Dillard continues to maintain an organic relationship with the United Methodist Church. Although the University has no direct official relationship to the Louisiana Annual Conference, the Resident Bishop is a member of the Board of Trustees.

Dillard University has always existed to create and maintain an atmosphere conducive to learning and growth through programs of academic excellence. This is done within the framework of the liberal arts tradition. The University has a national reputation for producing graduates who have distinguished themselves in their respective professions and as community leaders.

The present financial condition is solid. According to the Financial Report for the period ending June 30, 1978, Dillard University received \$311,582 from the Black College Fund, of which \$66,480.95 was contributed by the Louisiana Annual Conference. We urge pastors and local churches to educate people throughout the Conference about Dillard and its status as an outstanding institution of higher learning in the state and nation.

III. INSTITUTIONS OR SPECIAL MINISTRIES RELATED TO THE BOARD OF DISCIPLESHIP

- A. Camps Related to the Louisiana Conference
 1. Camp Brewer of the Louisiana Conference and the Alexandria District
 2. Camp Istrouma of the Baton Rouge-Hammond, New Orleans-Slidell, New Orleans-Houma, and Baton Rouge-Lafayette Districts.
 3. Lake Charles District Camp.
 4. Caney Lake Conference Centre of the Ruston, Shreveport, and Monroe Districts.

The Task Force on Institutions recommends that the Bishop and Cabinet of the Louisiana Conference, in consultation with the Chairperson of the Board of Discipleship, appoint a Task Force on Camping to study the feasibility of the establishment of a multi-purpose conference center facility (camping, institutes, retreats, etc.) for the Louisiana Annual Conference and to report back to the 1980 regular session of the Annual Conference with its findings and recommendations.

IV. ECUMENICAL INSTITUTIONS/AGENCIES RELATED TO THE LOUISIANA CONFERENCE

- A. Louisiana Moral and Civic Foundation
- B. Louisiana Interchurch Conference

The Task Force on Institutions recommends the present means of support of these two ecumenical agencies related to the Louisiana Conference continue as recommended in the report of the Council on Finance and Administration.

CONCLUSIONS

In addition to the six hundred plus local church institutions of United Methodism in Louisiana and their ministries, the Louisiana Annual Conference is related to approximately forty institutions, agencies, and/or special ministries within the bounds of the Louisiana Conference. The classification of these church-related institutions seeks to clarify the responsibilities that we have as a conference in relationship to the various institutions.

A concern of the Task Force on Institutions was the matter of adequate insurance coverage, with special reference to liability insurance, by our church-related institutions. In our visits to the institutions we found this was also a concern of the administrators and boards of the institutions. The task force would recommend that the administrators of the institutions look into possible advantages of the United Methodist Church Insurance Program, 88 Pine Street, New York, New York 10005, or phone 800/221-8553. The General Council on Finance and Administration has provided for this program through Frank B. Hall & Co. The local insurance agent of the institution is also included as a local agent in the program.

The Task Force on Institutions recommends that the Louisiana Conference Board of Trustees study the feasibility of the Louisiana Conference providing liability coverage for the trustees and/or officers of the Louisiana Annual Conference and reporting to the Louisiana Conference Council on Finance and Administration its findings and recommendations.

As Louisiana Methodists we should thank God and be proud of these special missions, ministries and agencies to which we are related in the work and ministry of the Christ in our day. For many of these ministries of the church to continue we must accept definite financial responsibility as a Conference. The support of the institutions gives our people the opportunity in many cases to designate special gifts and offerings for these institutions. We would also remind Louisiana Methodists of the Louisiana United Methodist Foundation and the opportunity it offers to remember these missions of the church with annuities and in our wills with ongoing gifts and support.

James J. Caraway, Chairman

United Methodist Foundation Of Louisiana

During the Conference year 1978-79, 218 requests for information in the area of wills, bequests and Estate Planning have been received in the Foundation office. As requested by the Annual Conference in 1978, the Investment Committee of the Foundation has assumed the responsibility for investing funds for the Annual Conference and also the Conference Board of Pensions. Six Money Management Seminars were held. Approximately 500 persons were in attendance. More than 30 top-level professionals served on the panels of the various seminars.

Foundation Sunday was observed on 3-11-79 with 15 of the Foundation Trustees speaking in churches throughout the state. 50,000 copies of the bulletin insert "What You Would Like to Know About the United Methodist Foundation of Louisiana" was distributed. The Director, Dr. Clyde S. Clark, has spoken in 35 churches on Sunday on behalf of the Foundation and has personally distributed more than 10,000 pieces of literature.

The Foundation has shown a steady growth in commitments and cash resources. The present invested resources total \$286,000. Recorded commitments of wills and bequests in the Foundation office total \$700,000. This represents a growth during the year of \$296,000. There are other valid pending commitments in process that will total more than \$500,000.

Financial support for the Foundation's operation, including salaries and other expenses, is provided by the Annual Conference, upon the recommendation of the Council on Finance

and Administration. The Foundation is governed by a Board of Trustees, which makes policy decisions, including recommendations to the Council on Finance and Administration regarding financial support of the Foundation.

Clyde S. Clark, Executive Director

United Methodist Women

In September, 1978 the Louisiana Conference United Methodist Women ratified the third Charter of Racial Justice Policies. Ratification is an official pledge to implement the Charter and is the initial phase. The vote of the Annual Meeting referred the Charter to the districts and local units for ratification by a target date of March, 1980.

The Charter was presented to the Conference Board of Global Ministries, the Board of Church and Society and the Commission on Religion and Race. All endorsed it and pledged their support. Additional plans of implementation were approved by the conference executive committee of United Methodist Women and eight districts have developed programs of implementation.

The Law of the Sea continues to be a conference goal and was endorsed by the Board of Global Ministries and the Board of Church and Society. District presidents will promote action through District UMW and District Council on Ministries.

Another goal for 1979 is to establish specific procedures for continuing participation in the emphasis on Child Advocacy which is being initiated as part of the International Year of the Child.

Communications is of high priority and a Communication-Interpretation Experience is planned for District Elected Leader's Training in '79 and district workshops planned for 1980. Emphasis is on a caring and supportive membership interacting at all levels. The Reading Program of UMW will be emphasized and special recognition for participation has been developed.

Plans are being developed to communicate the purpose and true image of the United Methodist Women's organization (including financial responsibilities) to the total church at Conference, District and Local levels. Strategies include a visual display at Annual Conference.

VII. Memoirs

ROBERT MACK BENTLEY

We mourn the loss of one of the great saints of the Lord, Reverend R. Mack Bentley. On Tuesday, August 1, Brother Mack departed this life quietly and peacefully while taking his afternoon nap. Our faith bids us to think happily about our dead. It is not for them that we ought to mourn but rather for ourselves and our loss.

There is much about him that brightened our lives for which we are thankful — his unshakeable faith and trust in God; his enthusiasm for life; his wit and the twinkle of his eyes when he told one of his stories; his love of family and friends and his ability to make a friend of every acquaintance; his pastoral prayers that ushered one into the presence of God.

Mack Bentley devoted his life in service to Jesus Christ through the United Methodist Church. He became a member on trial in the North Alabama Conference in 1923, serving there three years. From 1926 to 1931 he served in New Mexico. In 1931 he transferred to Louisiana and served appointments at Gordon Avenue in Monroe, Wisner, Bunkie, Pineville, Cedar Grove and Caddo Heights in Shreveport, Tallulah, Canal Street in New Orleans, Abbeville and Cameron. Following retirement in June 1968, he and his wife, Ethel, resided in a retired ministers' home in Lafayette; and he continued to serve the church as minister of visitation at Asbury Church until he died.

Survivors are his wife Myrtis Ethel Whatley Bentley; two daughters, Mrs. Jean B. Strother of Lafayette and Mrs. James (Betty) E. Garrett of Dallas, Texas; one son, Robert Mack Bentley, Jr., of Wichita Falls, Texas; seven grandsons; and three sisters.

Clyde C. Frazier, Jr.

PORTER MYERS CARAWAY, SR.

If you wanted to paint the picture of a United Methodist minister and show in him the heart of a pastor, a genuine concern for people, an unconditional devotion to the church, a twinkling eye, a warm smile, a contagious sense of humor, the preacher's love of a good story, an untiring commitment "to wear out rather than rust out," a tender family man, one admired and respected by his parishioners and his co-workers . . . you could paint the picture of the Reverend Porter Myers Caraway, Sr. Brother Caraway was all of that and much, much more.

Porter Caraway, a native of Westville, Mississippi, began his ministry in the Methodist Church in Sicily Island in 1919 and continued his pastoral career in other Louisiana churches as well as posts in Gulfport, Mississippi, Roswell, New Mexico, and Commerce and Harlingen, Texas.

A graduate of Whitworth and Millsaps Colleges in Mississippi, the Reverend Caraway first moved to Shreveport in 1941 when he was appointed minister at Mangum Memorial Methodist Church. Following other assignments at other Louisiana churches, he returned to Shreveport in 1956 after his retirement from the active ministry.

Brother Caraway subsequently served as pastor of visitation at Broadmoor United Methodist Church, as chaplain of Confederate Memorial Medical Center for seven years, and as a teacher of the Four Square Bible Class.

In his last ten years before his final retirement, Brother Caraway was on the staff of the First United Methodist Church of Shreveport as the minister to older adults.

The funeral service for Reverend Caraway was held at First United Methodist Church in Shreveport, Louisiana on Tuesday afternoon, May 15, 1979. Bishop Kenneth Shamblin, District Superintendent Dr. Harvey Williamson, Pastors Dr. D. L. Dykes, Jr. and Reverend Jim Moore led the meaningful memorial service.

Reverend Porter Caraway is survived by his devoted wife of 59 years, Minnie Merle Youngblood Caraway; two daughters, Manta Rose King of Shreveport and LuNell White of Beaumont, Texas; three sons, Porter M. Caraway, Jr. of Shreveport, and Dr. James J. Caraway and the Reverend Stone Caraway, both of Monroe; four sisters, Mary McKie of Jackson, Mississippi, Nanabel Burnworth of Roswell, New Mexico, Mrs. Louie Guess of Brookhaven, Mississippi, and Marie Maxwell of Raymond, Mississippi; two brothers, George P. Caraway of Roswell, New Mexico and State Senator W. J. Caraway of Jackson, Mississippi; 11 grandchildren and 12 great-grandchildren.

It was fitting that his memorial service was concluded with the Doxology for that was the tone of his life and the heritage he passes on to us . . . the spirit of thanksgiving. We shall miss him.

CLAUDE M. CROTWELL

Claude M. Crotwell was born December 8, 1925, in Summit, Mississippi, and died April 10, 1979, in the hospital in Farmerville.

Brother Crotwell served in the United States Navy after he finished high school. Later he was employed by the L. and N. Railroad Company in his home state. While he was a layman he was very active in the church. Then he heard God call him into the pastoral ministry. He was married, had four children and knew that becoming a minister would involve many sacrifices. Instead of offering excuses, however, he answered God's call in keeping with his commitment to God and His purpose.

Brother Crotwell served faithfully in the pastoral ministry for seventeen years. He had four appointments in the Louisiana Conference: Calhoun-Beulah-Indian Village, Columbia-Hebert, Pine Grove-Mangum and Bernice-Summerfield-Beech Grove.

Claude loved the church. He sought to give his best to his work. He wanted the churches he served to be strong and to fulfill God's mission.

His effective ministry touched the lives of many people and helped them to find strength and hope. Brother Crotwell knew the great promises of God to his children. He proclaimed these and lived with a belief that these would be fulfilled here and beyond the grave. In his death one of God's faithful ambassadors passed to the church triumphant.

He is survived by his wife, Mrs. Jimmie Crotwell, his mother, Mrs. Bessie Crotwell, three daughters, two sons and five grandchildren.

KENNETH KARL CARITHERS

The Rev. Kenneth Karl Carithers, known as K. K., was born August 11, 1902 at Princeton, Indiana, the child of Thomas L. and Sally White Carithers.

As a young man K. K. was active in social action programs and was a member of the Lion's Club, the Masonic Lodge, and the Oddfellow's Lodge. Later he was a member of the Town and Country Commission of the Louisiana Conference. His last position of service was as a member of the Board of Directors of the St. Tammany Parish Council on Aging.

K. K. was married June 14, 1928 to Rose Pierson. A few years later he was called to preach. These two knelt at the altar of Faith United Methodist Church in Princeton and promised to go wherever God wanted. He preached for one year in Indiana, sixteen in Arkansas and sixteen in Louisiana. Two years of college were gained at Arkansas A&M College, Monticello.

Rev. Carithers was responsible for the direction and development of the lives of many persons and for many persons going into full time Christian service. His ministry culminated in a family of 15 persons serving either full time or retired. Many persons to

whom he ministered are leaders in the churches to which they belong because of the training he gave.

K. K. was the source of material items, of advice, and of brotherly love to any person who had need and would accept his help. Few persons have ever been more deeply dedicated to the service of God than was K. K. Carithers. He planted in many fields, and God gave the increase.

REV. WILLIE T. HENDERSON

Rev. Willie Henderson was born April 7, 1911, and died December 9, 1978 in the Charity Hospital of Louisiana at New Orleans, following a brief illness and surgery. His survivors include his widow, Florence, and three children from a previous marriage.

Though Brother Henderson's ministry in our Conference was short, it was most effective. He served with loyalty, zeal and dedication. At the time of his death he was serving the Walmsley-Mason Charge at Morgan City and Burvick. Prior to being assigned there, he served the Wesley-Mt. Vernon Charge at Houma and Gray, La.

Funeral services for Brother Henderson were held at the Walmsley United Methodist Church in Morgan City, on Dec. 13, 1978, with the Reverend T. E. McElroy officiating.

LEON C. SCOTT

Leon Scott loved to see things grow; he always loved to garden, and grow flowers. When God called him to the ministry in 1951 he continued this interest, but it centered around people and the church. There were ministers in his background, and he grew up loving the church. He was married in 1947 to the former Barbara McKeiver of Wisner, and they had one son, Larry, who was just past two when they went to Oxford, Mississippi for Leon to enter the University of Mississippi. While there a daughter, Cynthia was born, and Leon served the Chalybeate Springs and the Hickory Flats Circuits. Graduation time and the birth of the third child, Carol, came close together, as well as a move to Nashville where Leon entered Vanderbilt University. While a student, he also served as associate of East End Methodist Church. He graduated in 1956 and was appointed to Grace, a new church in Greenville, Mississippi, to finish organizing and building. Appointments served in Louisiana included Bethel, Chatham, Benton, Farmerville, Grace in Ruston, and Leesville, where he had just begun his second year when death came. Bishop J. Kenneth Shamblin and Rev. Byrl Moreland conducted the service in the Leesville UMC. There was present a large number of ministers and friends from other churches the Scotts had served, because they recognized the work, faith and friendship of Leon Scott. I am convinced there never was any minister who worked any harder or more sincerely than did Leon in carrying out his pastoral responsibilities. The words of one of our hymns are: "For all the saints who from their labors rest, who Thee by faith before the world confessed." Leon confessed his faith before the world, and was in turn faithful to the task that he accepted as a minister of Jesus Christ. Leon Scott loved his family; he loved the church; he loved people; he was my friend.

ELLIS C. SLATER

"I greet the dawn and not a setting sun" may well describe the attitude of this stalwart of the Louisiana Conference toward life and death. Ellis C. Slater, a worthy scion of a noble sire was faithful to his calling to serve the United Methodist Church. He was born into the union of John and Cynthia Slater, one of three sons.

He completed elementary and secondary education in the public schools of Louisiana, and attended Southern University and Dillard University.

He married Mrs. Thelma LaPouit Slater who preceded him in death. For several years he served his country as a soldier — in the U. S. Army.

Ellis' first love was the church. In 1949 he responded to the call of God and embarked upon a ministry of service in the Louisiana Annual Conference. From 1949 until May 1971, when he was forced to take a disability leave, he served churches across the state, from Bastrop to New Orleans. He accepted each assignment with faith in God, and compassion in his heart for the flock that he pastored.

Although ill health forced Ellis into early retirement in 1974, after 25 years of service he still found time to assist the active pastors. He was a tremendous help to me when, on many occasions he would come up to me though ill himself, and say, "Is there anything you want me to do today."

On Saturday, February 3, 1979, Ellis Slater answered God's summons to come home, and this servant of God moved on to his great reward on the other side of this life.

He is survived by two brothers, Harold L. Slater and Herman A. Slater.

Abraham E. Davis

A. W. TOWNSEND, JR.

Life cannot be reckoned by its days or by its decades, but rather in terms of its intensity, its character, its dedication and its usefulness. With the death of Dr. A. W. Townsend, Jr., in St. Petersburg, Florida, on October 16, 1978, a vital force for righteousness and a ready spirit of human helpfulness was lost to the United Methodist Church and the community in which he lived. The quality of his life and of his service to his generation shall long be remembered.

Born in Waycross, Georgia on October 26, 1908, A. W. was the grandson of a Methodist circuit rider in the South Georgia Conference, the Reverend Burell S. Key. From early childhood his desire was to be of helpful service to his fellowman, dreaming first of becoming a physician, then a concert pianist. While he was studying at the Asbury Conservatory of Music he was gloriously converted on August 24, 1925, and the following summer God called him to become a preacher of the Word. It was not easy for him to answer that "call," for music was still a major part of his life, and it served as a blessing to his ministry in later years. But from the moment that he yielded to the "call to preach" he knew that this was the answer to his lofty aspirations and high ideals. A. W. always felt that in some small way his ministry was a continuation of the ministry of his circuit rider grandfather, who died at the age of 39.

A. W. returned to Wilmore, Kentucky, where he received his Bachelor of Arts degree at Asbury College and his theological training at Asbury Theological Seminary. During his college and seminary days, he preached in revival meetings in Georgia, Alabama, West Virginia, Kansas, Iowa, Wyoming, Ohio, Pennsylvania, and Louisiana. His evangelistic fervor and zeal for preaching the Word put him in great demand as a revival preacher; and he never lost that zeal. Today the United Methodist Church is stronger and richer because many young men answered the "call to preach" under A. W.'s spiritual guidance.

A. W. became a member on trial in the Louisiana Annual Conference on December 3, 1930. For 43½ years he faithfully served pastorates in Louisiana, including Farmerville, Gretna and Reserve, Second and Gentilly in New Orleans, Hodge, Bunkie, Mangum in Shreveport, Superintendent of the Alexandria District, Munholland in Metairie, and Algiers in New

Orleans. While serving the people in these pastorates, he served the Louisiana Annual Conference on the Board of Education, the Board of Missions, the Board of Ministerial Training and Qualifications, and the Board of Evangelism. In 1958, he was one of 32 ministers from the United States to visit the Methodist mission stations in Panama, Bolivia, Peru, and Chile. In 1961, he was a delegate to the World Methodist Conference at Oslo. In recognition of his faithful service, capable leadership, and evangelistic accomplishments, in 1967 Centenary College conferred upon this true and worthy man the Doctor of Divinity Degree.

A. W. retired from the itinerant relation in 1974, but he did not retire from the ministry. In their retirement home, an apartment complex in St. Petersburg, Florida, he became a member of the Board of Directors and chaplain, a post which he held until death.

He was married to Florine Ross of Huntington, West Virginia, in 1931, and for 47 years and 4 months they enjoyed the true devotion of a family circle, unbroken by discord, and beautifully proportioned by affectionate esteem. One daughter, Jocelyn, and two grandchildren, Delaine and Guy, completed their family circle.

The central theme of his ministry and of his personal life was I Corinthians 13:8, "Love never fails." Not only did he preach it, he truly lived it. He was an informed servant of Christ, deeply spiritual, and carrying about in his very being the evidence of the presence of God. He loved people, and especially did he love his brothers in the ministry. At no time was he more in his element than when he sat with a group of preachers and talked of God's Kingdom.

If there is one word that might be used to characterize his life more than any other, it is the word "humility." For truly he was a humble servant of the Father. He gave all that he had — and that was enough. So he is entitled to the plaudit, "Well done, good and faithful servant."

Blessings on his memory.

REV. IRA L. YEAGER

On January 17, 1979, the transfer of membership was made for Rev. Ira L. Yeager from the Church militant to the Church triumphant. When this great servant of God, dedicated family man, happy Christian, good and creative churchman, sincere friend to countless people, went home to be with God, the Louisiana Conference of which he was a member for more than 59 years, surrendered one of its most beloved members. As he walked among people bearing in his body the marks of the Lord Jesus Christ, people were born into the Kingdom of God; comforted in their sorrows; encouraged when they were discouraged; found strength in their weakness; challenged to press toward the mark of the high calling of God; in complete consecration and "second-blessing holiness" of life for one reason — they saw reflected in his life the image of the Christ, the Son of the living God. Wherever Bro. Yeager went, he endeared himself to people as he reflected the life of Jesus.

Some of his preaching appointments were Grayson, Kelly, Mt. Nebo, Luna, Chatham, Ansley, Downsville, and for twenty-six years graced the pulpit at Stone Avenue Methodist Church. He took the retired relationship in this church.

Those who knew Bro. Yeager knew him as a kind, gracious, and loving person. He was honest, sincere, and fair. He had a sound mind; his gifts were many and the spirit within him was full awake to the life about him. He was not known to give way to gloom and regrets, nor did he cast shadows across today with complaints about yesterday. His spiritual life was the result of a confident and abiding faith. He was a man of deep sympathy and loved little children, — his ministry to children was outstanding. The gospel this great soldier of the cross preached was simple, straight-forward, Bible centered, Christ inspired.

Ira L. Yeager was known as "God's Ambassador of love." He served God on earth. Now he reigns triumphantly with him.

MRS. JAMES VAN (FANNIE) CARTER

Fannie Norman Carter was born in 1892 in Tamalco, Illinois. Her family came to Southwest Louisiana in 1913. Fannie became active in the Sunday School Association and in 1920 went to the World Sunday School Association in Tokyo, Japan. In the 20's and early 30's she worked as secretary to Van Carter, who was the state executive for the Sunday School Association. Camp Lassa near Shreveport developed as the center of the Association activities. Fannie was the promoter and manager of the camp and oftentimes turned to washing dishes or whatever task needed to be done. From 1937 to 1941 she was secretary to The Rev. George Dameron, who served as Executive Director of the Board of Education of the Louisiana Annual Conference.

In 1936 Fannie married Van Carter. For almost twenty years Van pastored various churches in the Louisiana Conference, and Fannie was his constant and supportive companion. Following Van's death, she became a house mother at Centenary College and later went to Indiana to live with her two nieces.

Fannie died August 31, 1978, in Greenwood, Indiana. Her funeral was conducted by The Rev. James L. Stovall, The Rev. James Humphreys, and The Rev. Kirby Vining in Baton Rouge on September 2.

Fannie Norman Carter was a person who accepted her life as a gift from God. She showed forth the love of God through her life by serving the needs of others at sacrifice to herself. She never wore her religion on her sleeve as if to say, "Look how good I am," but rather, God's love through Christ and her love for the church were the underlying foundation and motivation of her life. She manifested her faith by seeking to bring God's love to children, young people, and adults throughout the state of Louisiana.

MRS. W. H. (LILLIAN) DAVIS

Mrs. Lillian Turner Davis was the first-born of Joseph and Mary Turner in Thibodaux, Louisiana, on December 27, 1892. Her early Christian training was in Calvary Methodist Church of Thibodaux, Louisiana. She was married to the late Rev. Wesley Hezekiah Davis, Sr., also a native of that city. Ten children were born to this union.

Rev. Davis was made a full member of the Louisiana Annual Conference of the Methodist Church in 1924. He and Mrs. Davis served forty-one active years until their retirement in 1965. Upon their retirement, they joined St. Mark United Methodist Church of Opelousas, Louisiana. Mrs. Davis gave the rest of her service as an active member of this church.

Mrs. Davis died in Eunice, Louisiana, on Sunday, December 24, 1978 (Christmas Eve) at 12:30 P.M. She was faithful to the end. Funeral services were held at St. Mark United Methodist Church of Opelousas, with Rev. Henry Gage, Pastor, officiating, and burial was in the Myrtle Grove Cemetery, Opelousas, Louisiana.

Mrs. Davis attributed her longevity of life to being humble, first to Almighty God, then to His creation. Active and faithful to the end, she proved that she loved God, her neighbor and her church. Honesty, diligence, and patience were qualities for which she will be remembered. Above all, her Christian living was an example to follow.

Survivors include five daughters — Mrs. Hilda Murdock, Mrs. Naomi Beavers, both of New Orleans, La., Mrs. Lydia Henry of New York, Mrs. Aidah Sharif of Chicago, and Mrs. Mary Frank of Eunice, La., one son — Wesley Hezekiah Davis, Jr., of Lafayette, La., one sister, Mrs. Edna Keyes of New Orleans, La., twenty grandchildren; twenty-one great-grandchildren, and many relatives and friends.

MRS. W. L. (LUCILLE GARRETT) DOSS

Lucille Dawson Garrett Doss was born on August 25, 1894 in Lisbon, Louisiana. Her life spanned more than eighty-four years before she graduated into life immortal on October 16, 1978.

Lucille Dawson, a young teacher in the Public Schools of north Louisiana, married Gordon Wesley Garrett on April 23, 1914. In a few years her career as Public School Teacher ended when the Garretts were blessed with their first child. When her third son was two years old, death claimed her husband, Mr. Garrett, on June 6, 1926. She continued to live on the cotton farm and actually farmed for several years to maintain her home for her children. Throughout their marriage the Garretts were most active in the Wesley Chapel United Methodist Church where she faithfully served through the years as organist, Church School teacher, and active member and officer in the WSCS (The United Methodist Women). She continued to oversee the farm and family, and she was one of the first to work with the State Agricultural Committee, working in Homer, Louisiana.

In 1938 she married the late William Lafayette Doss, Jr., pastor of First Church, Lake Charles. Faithfully she served with Brother Doss in Lake Charles, the Monroe and Baton Rouge Districts, Haynesville, Bunkie and in Boyce. After their tenure in Boyce, they moved next door to the Parsonage in Haynesville where their faithful work in the Church and their loyalty to Almighty God continued to be a great blessing for His Kingdom.

Again widowed on March 31, 1970, she moved to Alexandria where she completed her earthly life. She was also preceded in death by one of her sons, Dawson Garrett, who died in October of 1957. She is survived by two sons, F. Gordon Garrett and Donald Murray Garrett, both of Alexandria; her daughter-in-law, Jaunita Lowe Garrett of Haynesville; nine grandchildren and three great-grandchildren. Her faithfulness to God as wife, mother, church member and minister's wife leave a living witness in the lives she so graciously touched as she gave so willingly of herself for others.

MRS. CHAPMAN J. (DEVA) HARRISON

Deva Thompson Harrison was born on December 8, 1910 to Almond and Para Thompson. She was baptized at an early age. On December 23, 1935 she married Rev. Chapman J. Harrison. During their ministry together, Deva served as a guiding light to youth of former conference B, especially in the Shreveport and Mansfield area. She helped to convince two members of our conference to accept the call into the ministry and also helped several youth to choose Christian vocations. At the 1974 session of the Louisiana Conference, Rev. C. J. Harrison retired from the active ministry from the Fairfield United Methodist Church. After retirement, Deva and C. J. Harrison remained at Fairfield. She continued to serve the church as the Chairperson of the Work Area of Education, Sunday School teacher, Certified Lay Speaker and substitute teacher at the Fairfield Day Care Center. On August 14, 1978 she was called home to be with God.

Rev. James A. Graham

MRS. HOWARD E. (LUCY) PFOST

Mrs. Lucy Norton Pfof was born at Onawa, Iowa. She graduated from Grinnell College in Grinnell, Iowa with a degree in Education. While teaching school in Montana she met and married Rev. Howard E. Pfof. They have three children: Mrs. C. E. Ewing, Jr. of Alexandria, Louisiana, Mrs. W. Ralph Cain of Ruston, Louisiana, and H. Philip Pfof of Tampa, Florida.

Rev. and Mrs. H. E. Pfof served the Methodist Church in Granite, Oklahoma in 1918-1921, West Helena, Arkansas, in 1921-1924, and in a number of churches in Louisiana in every aspect of the life of the church. Under their leadership churches paid off their indebtedness, parsonages were built and remodeled, and a number of young people dedicated their lives to the ministry of the Gospel.

After the death of her husband in 1950, Mrs. Pfof made her home with Rev. and Mrs. W. Ralph Cain where there was a very close family relationship with her daughter, son-in-law, and four grandsons. She entered into the life of the churches served by them as she had with her husband. Even when her strength was failing, she continued through sheer determination and courage to participate in church and community activities and made the lives of those around her brighter.

Only a few hours before her death, her mind was alert and she expressed her faith in God and her thankfulness to those around her. The passage of Scripture quoted by her husband in the beginning of one of his conference reports expressed her feeling in these words: "It is a good thing to give thanks unto the Lord and sing praises unto Thy name O most High. To show forth Thy loving kindness in the morning and Thy faithfulness every night."

The memorial service for Mrs. Pfof was held in Trinity United Methodist Church in Ruston, Louisiana on October 7, 1978.

MRS. JAMES R. (ANNIE) STROZIER

Mrs. Annie Elizabeth Strozier was born March 16, 1897, in LaSalle Parish, Louisiana, and died May 2, 1979, in Ruston, Louisiana. She was 82 years of age.

On November 30, 1913, she was married to James Robert Strozier. A few years later they committed themselves to the full time ministry of the church. For 37½ years she was a minister's wife in Louisiana, serving with her husband in many charges across the state. In this ministry she was an effective channel of God's grace and purpose and gave much support and encouragement to her husband.

Brother and Mrs. Strozier retired from the active ministry in 1956, and were the first ones to live in a retired Methodist Minister's Home in Louisiana. They moved into an apartment in Ruston. Brother Strozier died in 1961 and she continued to live in the apartment.

Mrs. Annie was active in the church until the time of her death. She was a member of Grace Church in Ruston where she faithfully attended worship services, participated in a UMW circle and in other activities. Until a short time before her death she was the leader of a prayer group for people in the retirement homes in Ruston. Mrs. Strozier loved flowers. The beauty of her year reflected this worthy concern.

Her funeral was held May 4, 1979, in the Belah United Methodist Church with Rev. Paul Durbin preaching and Rev. James Christie presiding.

Before her death she said: "God has been very good to me. I strive to live day by day and be a witness for Him."

MRS. IRA L. (MYRTLE) YEAGER

On March 21, 1979, Myrtle Frazier Yeager, wife of Ira L. Yeager, moved from her earthly house to "a house not made with hands, eternal in the heavens."

Mrs. Yeager was born in Minden, Louisiana on March 7, 1908, but spent most of her life in Monroe, Louisiana. She was married to the late Rev. Ira L. Yeager February 10, 1969. This union was a very happy and satisfying companionship. Mrs. Yeager was a member of the Stone Avenue Methodist Protestant Church for more than thirty-five years.

As a member of the church, she was very active in its program until her health failed almost four years ago. She was president of the Women's Society, taught in the Sunday School, attended regularly the prayer meetings and regular worship services.

She exemplified in her life those virtues which characterize a servant of God and man. Without question those who knew her, saw a vital personal faith in a redemptive Lord of love. Her courageous spirit even during her illness was an example to those who came her way. She was an outgoing person and loved "doing things" for others as reflected in her care for her husband, her friends, and little children. Yes, she has been a blessing and a great friend to so many of God's people.

I like to think of her today as among those around the throne singing the praises of the Christ and enjoying the blessings prepared for those who walk here with the Lord. She was "faithful to her trust, even unto death."
